## **The Godfather:**

**The Godfather and American Culture** Chris Messenger, 2002-04-25 A comprehensive look at a classic work of popular fiction and its hold on the American imagination *The Godfather Legacy* Harlan Lebo, 2005-10-25 Here is the official companion to Francis Ford Coppola's masterful trilogy revised and updated and packed with more than 100 photographs. The director was a renegade filmmaker who'd never made a profitable picture. The producer was hired because he could stay below budget. The star had a reputation for being difficult. A formula for disaster. No the makings of one of the greatest films of all time. *The Godfather Legacy* explores the fascinating behind the scenes intrigue and uproar during the making of all three films. The clashes between Coppola and the studio chiefs during the filming of *The Godfather*, the pressurized production schedule and the project's near cancellation. The real story behind the cooperation of the Mafia in the creation of *The Godfather*. The worldwide acclaim and stunning financial success following the release of *The Godfather*, a triumph that set the stage for the film industry's renaissance. The production of *The Godfather Part II* and the rise of Coppola, Al Pacino and others to the loftiest heights of power in Hollywood. The creation of *The Godfather Part III*, two decades after the original film and the completion of video projects that unified the three films for the first time. Featuring production records, credits, reviews and interviews with many of the principals involved. *The Godfather Legacy* is a rare and vivid peek into the making of three of the most compelling films in Hollywood history. *Francis Ford Coppola's The Godfather Trilogy* Nick Browne, 1999-11-13 The Godfather trilogy is among the most significant works of Hollywood cinema of the last quarter century. They provide a richly complex look at a whole segment of American life and culture spanning almost the whole century. In six essays written especially for this volume, the Godfather trilogy is re-examined from a variety of perspectives. Providing analyses on the form and significance of Coppola's achievement, they demonstrate how the filmmaker revised the conventions of the American crime film in the Viet Nam era, his treatment of the capitalism of the criminal underworld and its inherent violence, the power struggles within Hollywood over the film and the contribution of opera to the epic force and cinematic style of Coppola's vision of an American criminal dynasty. *The Godfather's Revenge* Mark Winegardner, 2007-11-06 The third and final installment in Mario Puzo's epic chronicle of the Corleone crime family, one of the most enduring lineages in American literature and cinema, achieves a stunning crescendo with a story that imagines the role of the Mafia in the assassination of a young, charismatic president. In *The Godfather's Revenge*, authorized by the Puzo Estate, Mark Winegardner moves the Corleone family onto the biggest stage of all: the intersection of organized crime and national politics. A subordinate to Michael Corleone, New Orleans underboss Carlo Tramonti is publicly humiliated when the US Attorney General, President Danny Shea's brother, has him arrested and deported to Colombia. Tramonti eventually returns, hell bent on settling scores and triggers a series of events destined to change the course of American history. Corleone, though haunted by

the death of his brother Fredo knows that this is no time for weakness and so with fearless consigliere Tom Hagen leading the way a new path for the future is forged As the dramatic twists of The Godfather s Revenge take the reader from Las Vegas to Miami to New Orleans from the power alleys of Washington DC to the remote jungles of Colombia the puppet master behind the curtain remains Michael Corleone the tortured prodigal son who is determined to redefine his family s legacy and make his father the original Godfather proud

**Daughter** Rita Gigante,Natasha Stoynoff,2012-09-18 Rita Gigante grew up in a world swirling with secrets lies and multiple sins Her father notorious Mafia boss Vincent the Chin Gigante was the leader of the Genovese crime clan and the head of all five New York crime families for decades But until she was 16 she was kept in the dark about his underworld activities She unknowingly hung out at mob headquarters and witnessed her dad s whispered meetings around the dinner table but only knew what she was told by her mother and siblings about his odd behavior Dad s sick Keep your mouth shut Don t talk about the family Living with the family secret and other shocking betrayals she was to uncover then instructed to conceal plunged Rita into emotional and physical turmoil for years And then there was the blockbuster secret she herself kept hidden away As the youngest girl in an old fashioned devout Catholic family how could she confess to the unforgiving Godfather that she was a lesbian They were all going to hell she figured unless she could find a way to embrace the truth and find redemption In The Godfather s Daughter Rita details her spiritual journey as she unravels the mysteries of her family and herself and learns what it means to live in the truth she finds It s a real life father daughter tale of betrayal and faith violence and love and how a young woman escaped from a spiraling darkness to reach the light And in the end with his daughter s healing help even the Godfather finally learns to live in the light and atone for his sins
