The Gold Diggers Robert Creeley,1965 The Gold Diggers, and Other Stories Robert Creeley,1963 *Golddiggers, Farmers, and Traders in the "Chinese Districts" of West Kalimantan, Indonesia* Mary Somers Heidhues,2018-05-31 This study examines the changing role of the Chinese community of West Kalimantan particularly its economic and social relationships Heidhues explores the history of the community from the early nineteenth century establishment of the kongsis to the Dayak Raids which uprooted the rural Chinese population in the 1960s **Gold Diggers** Gold Diggers, Female Spectacle Susan A.

Glenn,2009-07-01 When the French actress Sarah Bernhardt made her first American tour in 1880 the term feminism had not yet entered our national vocabulary But over the course of the next half century a rising generation of daring actresses and

comics brought a new kind of woman to center stage Exploring and exploiting modern fantasies and fears about female roles and gender identity these performers eschewed theatrical convention and traditional notions of womanly modesty They created powerful images of themselves as ambitious independent and sexually expressive New Women Female Spectacle reveals the theater to have been a powerful new source of cultural authority and visibility for women Ironically theater also provided an arena in which producers and audiences projected the uncertainties and hostilities that accompanied changing gender relations From Bernhardt's modern methods of self promotion to Emma Goldman's political theatrics from the female mimics and Salome dancers to the upwardly striving chorus girl Glenn shows us how and why theater mattered to women and argues for its pivotal role in the emergence of modern feminism
