Oxford Handbooks offer authoritative and up-to-date reviews of original research in a particular subject area. Specially commissioned chapters from leading figures in the discipline give critical examinations of the progress and direction of debates as well as a foundation for future research. Oxford Handbooks provide scholars and graduate students with compelling new perspectives on a wide range of subjects in the humanities, social sciences, and sciences. Book jacket: *The Handbook of Dialectical Behavior Therapy* Jamie Bedics, 2020-05-15. Dialectical behavior therapy (DBT) has become a useful treatment for a range of clinical problems and is no longer limited to the treatment of suicidal behaviors or borderline personality disorder. The Handbook of Dialectical Behavior Therapy: Theory, Research, and Evaluation reviews the evidence-based literature on use of DBT in a wide range of populations and settings. The book begins with the foundations of DBT, its history, development, core principles, mechanisms of change, and the importance of the therapeutic relationship. It also reviews the efficacy of DBT for treatment of suicidal behavior, eating disorders, and substance abuse disorders, as well as its use for children, adolescents, and families. A section on clinical settings reviews implementation in schools, college counseling centers, and hospitals. Provides an overview of DBT, including its development, core principles, and training. Discusses the importance of the therapeutic relationship and alliance in DBT. Outlines DBT treatment for suicidal behavior, eating disorders, and substance use disorders. Includes DBT as treatment for adolescents and children. Covers DBT implementation in schools, counseling centers, and hospitals.

Gerontological Social Work and the Grand Challenges Sara Sanders, Stacey R. Kolomer, Cheryl Waites Spellman, Victoria M. Rizzo, 2019-11-30. The growing number of older adults in the United States poses a significant challenge to families, healthcare systems, mental health services, and many other caregiving groups. Using the Grand Challenges for Social Work initiative as a framework, this text evaluates critical policies and issues pertaining to older adults, identifying both the overall systemic inequalities currently working against older adults as well as specific areas that require updated policies and interventions. It calls for active attention to the implementation of science.

based research policy and practices to promote health and well being Among the topics addressed Family violence against older adults Disaster planning and preparedness Building financial capability for aging families Health needs of incarcerated older adults Closing the gap in healthcare services for older adults Social isolation and its effects on mental health and well being A useful gerontology resource for students social work scholars and practitioners Gerontological Social Work and the Grand Challenges advocates for justice and equal opportunity for older adults and highlights important social issues that must be urgently addressed in the near future
