Journey Back To Ireland:

Irish Children's Literature and Culture Keith O'Sullivan, Valerie Coghlan, 2011-03-17 Irish Children's Literature and Culture looks critically at Irish writing for children from the 1980s to the present examining the work of many writers and illustrators and engaging with major genres forms and issues including the gothic the speculative picturebooks ethnicity and globalization It contextualizes modern Irish children's literature in relation to Irish mythology and earlier writings as well as in relation to Irish writing for adults thereby demonstrating the complexity of this fascinating area What constitutes a national literature is rarely straightforward and it is especially complex when discussing writing for young people in an Irish context Until recently there was only a slight body of work that could be classified as Irish children's literature in comparison with Ireland's contribution to adult literature in the twentieth century The contributors to the volume examine a range of texts in relation to contemporary literary and cultural theory and children's literature internationally raising provocative questions about the future of the topic Irish Children's Literature and Culture is essential reading for those interested in Irish literature culture sociology childhood and children's literature Valerie Coghlan Church of Ireland College of Education Dublin is a librarian and lecturer She is a former co editor of Bookbird An International Journal of Children's Literature She has published widely on Irish children's literature and co edited several books on the topic She is a former board member of the IRSCLE and a founder member of the Irish Society for the Study of Children's Literature Children's Books Ireland and IBBY Ireland Keith O'Sullivan lectures in English at the Church of Ireland College of Education Dublin He is a founder member of the Irish Society for the Study of Children's Literature a former member of the board of directors of Children's Books Ireland and past chair of the Children's Books Ireland Bisto Book of the Year Awards He has published on the works of Philip Pullman and Emily Brontë

J. M. Synge and Travel Writing of the Irish Revival Giulia Bruna, 2017-10-31 Between the late 1890s and the early 1900s the young Irish writer John Millington Synge journeyed across his home country documenting his travels intermittently for ten years His body of travel writing includes the travel book The Aran Islands his literary journalism about West Kerry and Wicklow published in various periodicals and his articles for the Manchester Guardian about rural poverty in Connemara and Mayo Although Synge's nonfiction is often considered of minor weight compared with his drama Bruna argues persuasively that his travel narratives are instances of a pioneering ethnographic and journalistic imagination J M Synge and Travel Writing of the Irish Revival is the first comprehensive study of Synge's travel writing about Ireland compiled during the zeitgeist of the preindependence Revival movement Bruna argues that Synge's nonfiction subverts inherited modes of travel writing that put an emphasis on Empire and Nation Synge's writing challenges these grand narratives by expressing a more complex idea of Irishness grounded in his empathetic observation of the local rural communities he traveled amongst Drawing from critically neglected revivalist travel literature newspapers and periodicals and visual and archival documents Bruna sketches a new portrait of a seminal Irish Literary Renaissance figure
