

# THE LAWS OF PLATO

TRANSLATED, WITH NOTES AND  
AN INTERPRETIVE ESSAY,  
BY THOMAS L. PANGLE

# The Laws Of Plato

**E.B. England**

## **The Laws Of Plato:**

The Laws Plato, 2005-01-27 In the *Laws* Plato describes in fascinating detail a comprehensive system of legislation in a small agricultural utopia he named Magnesia His laws not only govern crime and punishment but also form a code of conduct for all aspects of life in his ideal state from education sport and religion to sexual behaviour marriage and drinking parties Plato sets out a plan for the day to day rule of Magnesia administered by citizens and elected officials with supreme power held by a Council Although Plato's views that citizens should act in complete obedience to the law have been read as totalitarian the *Laws* nonetheless constitutes a highly impressive programme for the reform of society and provides a crucial insight into the mind of one of Classical Greece's foremost thinkers      Laws Plato, 2019-02-08 This edition of *Laws* by Plato is given by Ashed Phoenix Million Book Edition      **Laws** Plato, Aeterna Press, 2015-09-01 THE genuineness of the *Laws* is sufficiently proved 1 by more than twenty citations of them in the writings of Aristotle who was residing at Athens during the last twenty years of the life of Plato and who having left it after his death B C 347 returned thither twelve years later B C 335 2 by the allusion of Isocrates writing 346 B C a year after the death of Plato and probably not more than three or four years after the composition of the *Laws* who speaks of the *Laws* and *Republics* written by philosophers 3 by the reference Athen 226 A of the comic poet Alexis a younger contemporary of Plato fl B C 356 306 to the enactment about prices which occurs in *Laws* xi 917 B foll viz that the same goods should not be offered at two prices on the same day 4 by the unanimous voice of later antiquity and the absence of any suspicion among ancient writers worth speaking of to the contrary for it is not said of Philippus of Opus that he composed any part of the *Laws* but only that he copied them out of the waxen tablets and was thought by some to have written the *Epinomis* Diog Laert iii 25 Aeterna Press      **The Laws of Plato** Plato, 2016-06-10 The *Laws* by Plato are the final and lengthiest dialogue written by the renowned Ancient Greek philosopher Considered something of a magnum opus by scholars of classical philosophy in this book Plato sets out the principles of legal theory and how each principle comes to be applied in civilized organized society The lengthy text is divided into twelve distinct books with a variety of legal topics discussed in considerable depth in every one Unusually for a Platonic dialogue the character of Socrates who in life was one of Plato's mentors in philosophy is not present Instead the conversations take place between a Greek citizen a Spartan named Megillos and a Cretan politician and legal scholar by the name of Clinias The definition of law is already assumed at the beginning with the three characters instead preoccupied with who is responsible for its creation and development in a given society The dialogue proceeds to discuss and detail the purpose of law in everyday realms of existence from how it is related to art religion or philosophy The essential role of law in education be that of music drama or otherwise is also given due discourse Finally Plato discusses the notion of natural law and whether there are rights which can be taken as natural Translated by Oxford scholar and prolific translator Benjamin Jowett this edition of Plato's *Laws* is perfect for those wishing to benefit from the insights of the Platonic dialogues at a low cost      *Plato's "Laws"* Seth

Benardete,2024-02-28 An insightful commentary on Plato's Laws his complex final work The Laws was Plato's last work his longest and one of his most difficult In contrast to the Republic which presents an abstract ideal the Laws appears to provide practical guidelines for the establishment and maintenance of political order in the real world Classicist Seth Benardete offers a rich analysis of each of the twelve books of the Laws which illuminates Plato's major themes and arguments concerning theology the soul justice and education Most importantly Benardete shows how music in a broad sense including drama epic poetry and even puppetry mediates between reason and the city in Plato's philosophy of law Benardete also uncovers the work's concealed ontological dimension explaining why it is hidden and how it can be brought to light In establishing the coherence and underlying organization of Plato's last dialogue Benardete makes a significant contribution to Platonic studies     Plato's Cretan City Glenn R. Morrow,2022-03-08

Plato's Cretan City is a thorough investigation into the roots of Plato's Laws and a compelling explication of his ideas on legislation and social institutions A dialogue among three travelers the Laws proposes a detailed plan for administering a new colony on the island of Crete In examining this dialogue Glenn Morrow describes the contemporary Greek institutions in Athens Crete and Sparta on which Plato based his model city and explores the philosopher's proposed regulations concerning property the family government and the administration of justice education and religion He approaches the Laws as both a living document of reform and a philosophical inquiry into humankind's highest earthly duty     *The laws of Plato* E.B. England,     **Laws** Plato,2011-11-28 **Plato's Laws**

Christopher Bobonich,2014-05-14 Long understudied Plato's Laws has been the object of renewed attention in the past decade and is now considered to be his major work of political philosophy besides the Republic In his last dialogue Plato returns to the project of describing the foundation of a just city and sketches in considerable detail its constitution laws and other social institutions Written by leading Platonists these essays cover a wide range of topics central for understanding the Laws such as the aim of the Laws as a whole the ethical psychology of the Laws especially its views of pleasure and non rational motivations and whether and if so how the strict law code of the Laws can encourage genuine virtue They make an important contribution to ongoing debates and will open up fresh lines of inquiry for further research Provided by publisher

**Plato's 'Laws'** Christopher Bobonich,2010-11-11 Long understudied Plato's Laws has been the object of renewed attention in the past decade and is now considered to be his major work of political philosophy besides the Republic In his last dialogue Plato returns to the project of describing the foundation of a just city and sketches in considerable detail its constitution laws and other social institutions Written by leading Platonists the essays in this volume cover a wide range of topics central for understanding the Laws such as the aim of the Laws as a whole the ethical psychology of the Laws especially its views of pleasure and non rational motivations and whether and if so how the strict law code of the Laws can encourage genuine virtue They make an important contribution to ongoing debates and will open up fresh lines of inquiry for further research     The Works of Plato: The laws Plato,1880     *An Introduction to Plato's Laws* R. F. Stalley,1983-01-01

Reading the Republic without reference to the less familiar Laws can lead to a distorted view of Plato's political theory. In the Republic the philosopher describes his ideal city; in his last and longest work he deals with the more detailed considerations involved in setting up a second best practical utopia. The relative neglect of the Laws has stemmed largely from the obscurity of its style and the apparent chaos of its organization, so that although good translations now exist, students of philosophy and political science still find the text inaccessible. This first full length philosophical introduction to the Laws will therefore prove invaluable. The opening chapters describe the general character of the dialogue and set it in the context of Plato's political philosophy as a whole. Each of the remaining chapters deals with a single topic ranging over material scattered through the text and so drawing together the threads of the argument in a stimulating and readily comprehensible way. Those topics include education, punishment, responsibility, religion, virtue and pleasure, as well as political matters and law itself. Throughout the author encourages the reader to think critically about Plato's ideas and to see their relevance to present day philosophical debate. No knowledge of Greek is required and only a limited background in philosophy. Although aimed primarily at students, the book will also be of interest to more advanced readers since it provides for the first time a philosophical as opposed to linguistic or historical commentary on the Laws in English.

**Laws** PLATO., Benjamin Jowett, 2025-03-28 Explore the foundations of political philosophy and jurisprudence with Plato's Laws, a seminal work exploring the ideal state and the principles of governance. Delving into the intricacies of law, justice, and the structure of government, this dialogue presents Plato's vision for a well-ordered society in ancient Greece. Laws offers timeless insights into the relationship between the individual and the state, examining the crucial role of legislation in shaping civic life. A cornerstone of political thought, this book remains essential reading for anyone seeking to understand the enduring questions surrounding law, authority, and the pursuit of a just society. This meticulously prepared print edition makes Plato's classic accessible to all interested in the foundations of political science and the enduring quest for the perfect state. This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual, or corporate has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant.

The Laws of Plato Plato, 1980-01-01 In The Laws, Plato describes in detail a comprehensive system of legislation in a small agricultural utopia he named Magnesia. His laws not only govern crime and punishment but also form a code of conduct for all aspects of life in his ideal state, from education, sport, and religion to sexual behaviour, marriage, and drinking parties. Plato sets out a plan for the day-to-day rule of Magnesia, administered by citizens and elected officials, with supreme power held by a Council.

BOOK JACKET The Laws of Plato Plato, 1921 *Plato's Laws* Samuel

Scolnicov, Luc Brisson, 2003 The articles in this volume are a selection of the papers presented at the Sixth Symposium Platonicum of the International Plato Society under the auspices of the Israel Academy of Sciences and Humanities and of the Faculty of Humanities of The Hebrew University of Jerusalem They reflect the breadth of topics and the range of problems present in Plato's Laws problems of editing and literary form rhetoric and style Homeric quotations the Socratic influence soul and motion pleasure virtue and happiness ethics and education gender public offices economics and philosophy of history political philosophy and religion Addressed are also the historical and literary contexts of the Laws and its later repercussions taken from back cover

**Plato: Laws 10**, 2008-02-07 The Laws is Plato's last and longest dialogue Although it has been neglected compared to such works as the Republic and Symposium it is beginning to receive a great deal of scholarly attention Book 10 of the Laws contains Plato's fullest defence of the existence of the gods and his last word on their nature as well as a presentation and defence of laws against impiety e.g. atheism Plato's primary aim is to defend the idea that the gods exist and that they are good this latter meaning that they do not neglect human beings and cannot be swayed by prayers and sacrifices to overlook injustice As such the Laws is an important text for anyone interested in ancient Greek religion philosophy and politics generally and the later thought of Plato in particular Robert Mayhew presents a new translation with commentary of Book 10 of the Laws His primary aim in the translation is fidelity to the Greek His commentary focuses on philosophical issues broadly understood to include religion and politics and deals with philological matters only when doing so serves to better explain those issues Knowledge of Greek is not assumed and the Greek that does appear has been transliterated It is the first commentary in English of any kind on Laws 10 for nearly 140 years

*The Laws of Plato* Plato, 2013-06-27 A two volume 1921 edition of Plato's last dialogue comprising a short introduction the Greek text analyses and extensive notes

**The Laws of Plato** Plato, 1921

**Plato's Laws** Gregory Recco, Eric Sanday, 2013 Readers of Plato have often neglected the Laws because of its length and density In this set of interpretive essays notable scholars of the Laws from the fields of classics history philosophy and political science offer a collective close reading of the dialogue book by book and reflect on the work as a whole In their introduction editors Gregory Recco and Eric Sanday explore the connections among the essays and the dramatic and productive exchanges between the contributors This volume fills a major gap in studies on Plato's dialogues by addressing the cultural and historical context of the Laws and highlighting their importance to contemporary scholarship

## **The Laws Of Plato** Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the power of words has become more evident than ever. They have the ability to inspire, provoke, and ignite change. ### **The Laws Of Plato Introduction**

In today's digital age, the availability of The Laws Of Plato books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Laws Of Plato books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Laws Of Plato books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Laws Of Plato versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Laws Of Plato books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Laws Of Plato books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Laws Of Plato books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free

access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Laws Of Plato books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Laws Of Plato books and manuals for download and embark on your journey of knowledge?

### **FAQs About The Laws Of Plato Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Laws Of Plato is one of the best book in our library for free trial. We provide copy of The Laws Of Plato in digital format, so the resources that you find are reliable. There are also many Ebooks of related with The Laws Of Plato. Where to download The Laws Of Plato online for free? Are you looking for The Laws Of Plato PDF? This is definitely going to save you time and cash in something you should think about.
