Noel, 2011-01-11 An updated and revised version of the bestselling *The Leadership Pipeline* the critical resource for how companies can grow leaders from the inside In business leadership at every level is a requisite for company survival Yet the leadership pipeline the internal strategy to grow leaders in many companies is dry or nonexistent Drawing on their experiences at many Fortune 500 companies the authors show how organizations can develop leadership at every level by identifying future leaders assessing their corporate confidence planning their development and measuring their results New to this edition is 65 pages of new material to update the model share new stories and add new advice based on the ten more years of experience The authors have also added a Frequently Asked Questions section to the end of each chapter

Keeping the Leadership in Instructional Leadership Linda L. Carrier, 2017-03-16 In a high stakes and testing focused school climate principals strive to develop and refine the skills that will make them effective instructional leaders This book discusses how a narrow focus on day to day operations and management can limit the potential for effective instructional leadership by drawing attention away from the behaviors and interpersonal skills that enable school administrators to succeed Building on stories from experienced principals in school districts across the country author Linda L Carrier offers practical tips and strategies for restoring the human dynamic of instructional leadership *Keeping the Leadership in Instructional Leadership Developing Your Practice* is designed to facilitate personal reflection and conversation about leadership practice and its advice will empower principals and administrators to transform their schools into highly engaged communities of learners

The Leadership Challenge Vision Book James M. Kouzes, Barry Z. Posner, 2010-06-21 An Innovative Tool for Enhancing Vision Skills Throughout 25 years of leadership research bestselling *Leadership Challenge* authors Jim Kouzes and Barry Posner have consistently found that Inspire a Shared Vision is the practice that differentiates leaders from other credible people They've also found that for most leaders it is the toughest practice Vision is one of those words that evokes ridicule and awe cynicism and mystery confusion and inspiration It's one of the most misunderstood words in the leadership lexicon In *The Leadership Challenge* vision is defined as An IDEAL and UNIQUE IMAGE of the FUTURE for the COMMON GOOD This hands on workbook is designed to help you get more comfortable and stronger at Inspiring a Shared Vision It will guide you through the process of developing a clearer picture of that ideal future and then it will help you to communicate it more effectively to those who can help you implement it In addition the workbook contains sections that will enable you to make your team a more forward thinking group and your organization a more visionary place And because visions are co created and shared there is a section on how to build visionary skills in others Following the step by step process outlined in the book you will be able to Draft an effective vision statement Craft a persuasive vision presentation Test the presentation Create different versions of the presentation to suit the audience situation Seek feedback from your audience and evaluate your vision effectiveness Each section contains

activities to help you focus on the skills needed to become more adept at looking ahead and creating the workplace and the world you would like to see
