**The Liberal Hour** Robert Weisbrot, G. Calvin Mackenzie, 2008-07-10 An engaging behind the scenes look at the lesser known forces that fueled the profound social reforms of the 1960s Provocative and incisive *The Liberal Hour* reveals how Washington so often portrayed as a target of reform in the 1960s was in fact the era's most effective engine of change The movements of the 1960s have always drawn the most attention from the decade's chroniclers but it was in the halls of government so often the target of protesters' wrath that the enduring reforms of the era were produced With nuance and panache Calvin Mackenzie and Robert Weisbrot present the real life characters from giants like JFK and Johnson to lesser known senators and congressmen who drove these reforms and were critical to the passage of key legislation *The Liberal Hour* offers an engrossing portrait of this extraordinary moment when more progressive legislation was passed than in almost any other era in American history
