## **The Life Of Richard Strauss:**

The Life of Richard Strauss Bryan Gilliam,1999-08-19 Richard Strauss saw an empire come and go survived two world wars witnessed the rise and fall of the Weimar Republic endured the period of National Socialism and died the year that Germany was officially divided into two separate states All the while he enjoyed a successful career as composer as conductor of international stature as organizer for the rights of composers and as colleague of and collaborator with some of the most important composers writers and artists of his day This biography covers Strauss s early musical development his emergence as a tone poet in the late nineteenth century his turn to the stage at the beginning of the twentieth century the successes and failures of the post World War I era the turbulent 1930s and the period of the Second World War and its aftermath    **The Life of Richard Strauss** Alan Jefferson,1973    Richard Strauss George Richard Marek,1967

Richard Strauss Norman Del Mar,2013-12-19 Norman Del Mar 1919 1994 was universally recognised as a leading authority on the music of Richard Strauss and his masterly three volume study of his life and works remains a classic Volume I deals with the years from the composer s birth 1864 to Der Rosenkavalier 1912 discussing the early orchestral and chamber music the tone poems and the operas Guntram Feuersnot Salome and Elektra Deploying a well nigh encyclopaedic knowledge Mr Del Mar acquits himself brilliantly of his task of disentangling and reassembling the numerous strands that make up the backcloth of poetry and philosophy which Strauss while not always understanding every intricacy yet needed as a constant reference map for his composing The three volumes of this magnificent book should be studied by all lovers of the late romantic music amateurs and professionals alike a monumental achievement Times Literary Supplement A brilliant and copiously analytical study a constant fascination Guardian    **Richard Strauss** Michael Kennedy,1995 Second edition includes expanded biographical section and discussion of Strauss s music Richard Strauss s long life spanned nearly a century from the consolidation of Wagner s fame in the 1860s to the age of post serialism and the dawn of electronics when he died in 1949 For 79 of his 85 years he composed songs chamber music a series of brilliant tone poems and the greatballets and operas which he created for the legendary stars of Dresden and Vienna He was also one of the outstanding conductors of his time directing opera companies in Weimar Munich Berlin and Vienna His life was rich in controversy from the outrage caused by the operas Salome and Elektra to the years under the Nazi regime In his survey of the music rejecting the generally accepted view that Strauss s genius declined in his middle years Michael Kennedy traces refinements of style from theearly 1920s to Strauss s late works The first edition of this book was published by Dent in 1976    Richard Strauss Norman Del Mar,1962    Richard Strauss Bryan Gilliam,1997 As we approach the fiftieth anniversary of Richard Stauss s death scholarly interest in the composer continues to grow Despite what was once a tendency by musicologists to overlook or deny Strauss s importance these essays firmly place the German composer in the musical mainstream and situate him among the most influential composers of the late nineteenth and early twentieth centuries Originally published in 1992 this volume

examines Strauss's life and work from a number of approaches and during various periods of his long career opening up unique corridors of insight into a crucial time in German history. Contributors discuss Strauss as a young composer steeped in a conservative instrumental tradition as a brash young modernist tone poet of the 1890s as an important composer of twentieth century German opera and as a cultural icon manipulated by the national socialists during the 1930s and early 1940s. Individual essays use Strauss's creative work as a framework for larger musicological questions such as the tension between narrative and structure in program music the problem of extended tonality at the turn of the century stylistic choice versus stylistic obligation and conflicting perspectives of progressive versus conservative music. This collection will interest Strauss scholars, musicologists and those interested in the artistic and cultural life of Germany from 1880 through the Second World War. Contributors: Kofi Agawu, Ginter Brosche, Bryan Gilliam, Stephen Hefling, James A. Hepokoski, Timothy L. Jackson, Michael Kennedy, Lewis Lockwood, Barbara A. Peterson, Pamela Potter, Reinhold Schletterer, R. Larry Todd.

**Richard Strauss**  
Michael Kennedy, 2006-11-02  
This book re-evaluates a figure whom the author considers to be the greatest composer of the twentieth century. Kennedy deals fully with Strauss's life as leading composer and national figure in the Third Reich during which he was both favored and cold-shouldered by the authorities. In putting this period into perspective he draws heavily on hitherto ignored material including Strauss's own letters and diaries. In addition he reveals much about Strauss's long happy but tempestuous marriage to the soprano Pauline de Ahna as well as tracing the important relationships to his librettists Hugo von Hofmannsthal, Stefan Zweig, Joseph Gregor and Clemens Krauss. Kennedy reassesses the man and the music revealing a picture of a level-headed, practical and extremely versatile musician, a great conductor as well as a great composer.

**Richard Strauss** Norman Del Mar, 2009-04  
Norman Del Mar (1919-1994) was universally recognised as a leading authority on the music of Richard Strauss and his masterly three volume study of his life and works remains a classic. Volume II spans the years 1912 to 1933, the première of *Arabella* taking in the *Ariadne* versions, *Die Frau ohne Schatten*, the ballets and much incidental music. Deploying a well-nigh encyclopaedic knowledge, Mr Del Mar acquires himself brilliantly of his task of disentangling and reassembling the numerous strands that make up the backcloth of poetry and philosophy which Strauss, while not always understanding every intricacy, yet needed as a constant reference map for his composing. The three volumes of this magnificent book should be studied by all lovers of the late romantic music amateurs and professionals alike, a monumental achievement.

*Times Literary Supplement*: A brilliant and copiously analytical study, a constant fascination.  
*Guardian*: *Richard Strauss and His World* Bryan Randolph Gilliam, 1992-08-30  
Strongly influencing European musical life from the 1880s through the First World War and remaining highly productive into the 1940s, Richard Strauss enjoyed a remarkable career in a constantly changing artistic and political climate. This volume presents six original essays on Strauss's musical works, including tone poems, lieder and operas, and brings together letters, memoirs and criticism from various periods of the composer's life. Many of these materials appear in English for the first time. In the essays Leon Botstein

contradicts the notion of the composer's stylistic about face after Elektra Derrick Puffett reinforces the argument for Strauss's artistic consistency by tracing in the tone poems and operas the phenomenon of pitch specificity James Hepokoski establishes Strauss as an early modernist in an examination of Macbeth Michael Steinberg probes the composer's political sensibility as expressed in the 1930s through his music and use of such texts as Friedenstag and Daphne Bryan Gilliam discusses the genesis of both the text and the music in the final scene of Daphne Timothy Jackson in his thorough source study argues for a new addition to the so called Four Last Songs Among the correspondence are previously untranslated letters between Strauss and his post Hofmannsthal librettist Joseph Gregor The memoirs range from early biographical sketches to Rudolf Hartmann's moving account of his last visit with Strauss shortly before the composer's death Critical reviews include recently translated essays by Theodor Adorno Guido Adler Paul Bekker and Julius Korngold Publisher description *Richard Strauss: the Life of a Non-Hero* George Richard Marek,1938 **Richard Strauss** Raymond Holden,2011 Renowned as the gifted composer of a string of masterworks Richard Strauss 1864-1949 is less often remembered for his achievement as a major conductor This book considers Strauss's career as a conductor and places it in relation to his life as a composer *Sourcebook for Research in Music, Third Edition* Allen Scott,2015-06-01 Since it was first published in 1993 the Sourcebook for Research in Music has become an invaluable resource in musical scholarship The balance between depth of content and brevity of format makes it ideal for use as a textbook for students a reference work for faculty and professional musicians and as an aid for librarians The introductory chapter includes a comprehensive list of bibliographical terms with definitions bibliographic terms in German French and Italian and the plan of the Library of Congress and the Dewey Decimal music classification systems Integrating helpful commentary to instruct the reader on the scope and usefulness of specific items this updated and expanded edition accounts for the rapid growth in new editions of standard works in fields such as ethnomusicology performance practice women in music popular music education business and music technology These enhancements to its already extensive bibliographies ensure that the Sourcebook will continue to be an indispensable reference for years to come *Richard Strauss* Norman DelMar,1978 **The Biography Book** Daniel S. Burt,2001-02-28 From Marilyn to Mussolini people captivate people A E's Biography best selling autobiographies and biographical novels testify to the popularity of the genre But where does one begin Collected here are descriptions and evaluations of over 10 000 biographical works including books of fact and fiction biographies for young readers and documentaries and movies all based on the lives of over 500 historical figures from scientists and writers to political and military leaders to artists and musicians Each entry includes a brief profile autobiographical and primary sources and recommended works Short reviews describe the pertinent biographical works and offer insight into the qualities and special features of each title helping readers to find the best biographical material available on hundreds of fascinating individuals

**Richard Strauss** Matthew Boyden,1999 A biography of the popular German composer whose career was tainted by his

cooperation with the Nazis     **Richard Strauss** André G. Ross,1976     A History of Opera Burton D. Fisher,2005 A comprehensive history of opera that traces each milestone in opera history from the 16th century Camerata through the next 400 years and features in depth analysis of all important genres the Baroque Classical and Romantic eras Bel Canto Opera Buffa German Romanticism Wagner and music drama Verismo Impressionism Expressionism Serialism and much more

Dictionary of World Biography: The 20th century, O-Z Frank Northen Magill,Christina J. Moose,Alison Aves,1999-11 Each volume of the Dictionary of World Biography contains 250 entries on the lives of the individuals who shaped their times and left their mark on world history This is not a who's who Instead each entry provides an in depth essay on the life and career of the individual concerned Essays commence with a quick reference section that provides basic facts on the individual's life and achievements The extended biography places the life and works of the individual within an historical context and the summary at the end of each essay provides a synopsis of the individual's place in history All entries conclude with a fully annotated bibliography     **Richard Strauss, the Man and His Works** Henry T. Finck,1917 Richard Strauss The Man and His Works by Henry Theophilus Finck first published in 1917 is a rare manuscript the original residing in one of the great libraries of the world This book is a reproduction of that original which has been scanned and cleaned by state of the art publishing tools for better readability and enhanced appreciation Restoration Editors mission is to bring long out of print manuscripts back to life Some smudges annotations or unclear text may still exist due to permanent damage to the original work We believe the literary significance of the text justifies offering this reproduction allowing a new generation to appreciate it
