A Light to the Gentiles Adrian L. van Kaam, 2009-04-30 Reading *A Light to the Gentiles* a classic biography by the renowned spiritual writer and psychologist Adrian van Kaam has as much potential to change each reader's life as the light of divine grace changed the life of Venerable Francis Libermann son of a Rabbi and a Christian convert whose destiny rested in the hands of Divine Providence It is clear that the author's love for Libermann deeply affected his own understanding of the dynamics of purifying formation illuminating reformation and unifying transformation The Jew of Saverne understood the Paschal Mystery as few Christians have Libermann carried the cross his crucifying epiphany with the joy of his resurrection epiphany letting go of the old man of flesh and becoming a new man in Christ Jesus This is at once a work of exquisite scholarship and a labor of love that highlights the brilliance of a founder of a religious community a great educator and evangelizer a suffering servant and a man of immense gentleness and compassion for abandoned souls everywhere No other life of Libermann so fills our spirit heart mind and soul as this one

The Life Journey of a Joyful Man of God Adrian L. van Kaam, 2010-09-23 To have known Adrian van Kaam in person is to have loved him for reasons human and spiritual His kindness to everyone is as legendary as his fidelity to the mystery in all the peaks and valleys of daily life His humility is the fire that enkindles his original vision of formative spirituality His gentle joyful spirit radiates on every page of this retelling of his life story In it he takes us to the heart of his thinking in the fields of psychology and spiritual formation He welcomes us wholeheartedly into the intimate corners of his family his friendships and his pastoral and professional life He brings us into a little known arena of world history the infamous Dutch Hunger Winter of 1944 1945 We travel with him from that bleak period through the renewal of his life's work in the United States to its crowning phase in the Epiphany Association co founded with his colleague and editor of this unforgettable work of love Dr Susan Muto

Spiritans Life and Mission Since Vatican II William Cleary, 2018-02-01 The Second Vatican Council 1962 65 called for the renewal of all religious institutes in the Catholic Church The Congregation of the Holy Spirit Spiritans responded initially under the leadership of Archbishop Marcel Lefebvre Different interpretations of Vatican II caused divisions culminating in Lefebvre's departure from the congregation From this difficult starting point the Spiritans sought to redefine themselves in creative fidelity to their founding intention the spirit of Vatican II and the signs of the times Spiritans Life and Mission since Vatican II recounts this journey of renewal in three parts the Spiritan world before Vatican II and the election of Archbishop Lefebvre as superior general in 1962 the ad experimentum period culminating with a new rule of life in 1986 and the implementation

of this new rule as interpreted through inter congregational discourse particularly the general chapters of 1992 1998 and 2004 The development of thinking on the church s mission and the congregation s rediscovery of the founding charisms of Claude Poullart des Places and Francis Libermann provide the parameters for this positive interpretation of the Spiritan journey of renewal Its evolution in the third millennium into a multicultural international missionary community of some three thousand members from over sixty countries in service of the Missio Dei bears testimony to this The Life of Venerable Francis Libermann G. O'Neil,1997 The first published biography of Cardinal Vaughan was a two volume work by his cousin John Snead Cox then editor of The Tablet In his Preface Snead Cox described his aim as to write an absolutely candid book describing the man as he was in his strengths and in his weaknesses with his gifts and his limitations Fr Robert O Neil shares that aim but writes with the advantages of a more objective focus provided by the near century that has elapsed since Vaughan s death in 1903 a large amount of new material that has come to light and his own life in the missionary Congregation founded by Vaughan Extensively researched drawing on family and other archives not previously accessible authoritative and at the same time highly readable this will stand as the definitive biography of a controversial and important figure for many decades to come American Book Publishing Record Cumulative, 1950-1977 R.R.
