*Latimer Mercy* Robert Richardson,1993      **Latimer Mercy** Robert Richardson, Ph.D.,1986-01-01      **Robert Latimer** Gary Bauslaugh,2010-09-16 In October 1993 Robert Latimer a Saskatchewan farmer decided to end the life of his chronically ill daughter rather than subject her to another painful surgery Tracy who had the mental capacity of a five month old infant was twelve at the time of her death She had already endured multiple operations to correct conditions caused by her severe cerebral palsy Tracy s death and the charge of murder laid against Robert Latimer set in motion Canada s most famous and controversial case of mercy killing The case sparked a national debate about euthanasia and the rights of the severely disabled that continues today Author Gary Bauslaugh takes us back to the beginning of this case describes its explosion on the national scene during two highly publicized trials and looks at later conflicts surrounding Latimer s parole hearing In clear insightful prose Bauslaugh discusses the conflicting views of Latimer s sympathizers and detractors in chapters that explore the ethical dilemmas as well as the legal issues that this case has raised As a reporter who has followed the case from its beginnings and interviewed Latimer multiple times during his imprisonment and subsequent parole Bauslaugh s intimate knowledge of the personalities and facts of this difficult case allow him to write a revealing and informed book

**The Routledge Handbook of Criminal Justice Ethics** Jonathan Jacobs,Jonathan Jackson,2016-07-01 The enormous financial cost of criminal justice has motivated increased scrutiny and recognition of the need for constructive change but what of the ethical costs of current practices and policies Moreover if we seriously value the principles of liberal democracy then there is no question that the ethics of criminal justice are everybody s business concerns for the entire society The Routledge Handbook of Criminal Justice Ethics brings together international scholars to explore the most significant ethical issues throughout their many areas of expertise anchoring their discussions in the empirical realities of the issues faced rather than applying moral theory at a distance Contributions from philosophers legal scholars criminologists and psychologists bring a fresh and interdisciplinary approach to the field The Handbook is divided into three parts Part I addresses the core issues concerning criminal sanction the moral and political aspects of the justification of punishment and the relationship between law and morality Part II examines criminalization and criminal liability and the assumptions and attitudes shaping those aspects of contemporary criminal justice Part III evaluates current policies and practices of criminal procedure exploring the roles of police prosecutors judges and juries and suggesting directions for revising how criminal justice is achieved Throughout scholars seek pathways for change and suggest new solutions to address the central concerns of criminal justice ethics This book is an ideal resource for upper undergraduate and postgraduate students taking courses in criminal justice ethics criminology and criminal justice theory and also for students of philosophy interested in punishment law and society and law and ethics      *The Latimer Mercy* Robert Richardson,2005 When a valuable Bible is stolen from Vercaster Cathedral and Diana Porter a London actress goes missing at the Dean s garden party the local police are

concerned but not unduly alarmed      **Last Word** Florian Sauvageau, David Schneiderman, David Taras, 2011-11-01 Media coverage of the Supreme Court of Canada has emerged as a crucial factor not only for judges and journalists but also for the public. It's the media after all that decide which court rulings to cover and how. They translate highly complex judgments into concise and meaningful news stories that will appeal to and be understood by the general public. Thus judges lose control of the message once they hand down decisions and journalists have the last word. To show how the Supreme Court has fared under the media spotlight, Sauvageau, Schneiderman, and Taras examine a year in the life of the court and then focus on the media coverage of four high profile decisions: the Marshall case about Aboriginal rights, the Vriend case about gay rights, the Quebec Secession Reference, and the Sharpe child pornography case. They explore the differences between television and newspaper coverage, national and regional reporting, and the French and English language media. They also describe how judges and journalists understand and interact with one another amid often clashing legal and journalistic cultures, offering a rich and detailed account of the relationship between two of the most important institutions in Canadian life.      *Liberty to the Captive* Nina J. Lechiara, 2001-04      **Understanding Canadian Law Four-Book Bundle** Daniel J. Baum, 2015-08-29 In this special four book bundle, legal expert Daniel J. Baum explains Canadian law in a clear and understandable way. Includes *Youth and the Law*: Laws as they relate to youth and youth issues can be difficult to understand for those they are intended to serve. Baum breaks down the Supreme Court of Canada's decisions relating to youth in plain language intended for readers of all ages. *Freedom of Expression*: Freedom of Expression details the protections, limits, and interpretation of freedom of expression in Canada. *Crime Scene Investigations*: A clear guide to the powers and limitations of law enforcement officials. *From the right to a lawyer's advice to privacy law in search and seizures to stop and frisk style carding operations*, this book covers the key topics in depth. *Life or Death*: New. Our bodies are ours to control, free from state interference, or so it would seem from the Charter of Rights and Freedoms. But how is this principle really applied?      **The Mammoth Encyclopedia of Modern Crime Fiction** Michael Ashley, 2002 A reference and overview of the genre of crime fiction, primarily covering the 1950s onwards, although major earlier writers such as Agatha Christie and Raymond Chandler also have entries.      **Showing Remorse** Richard Weisman, 2016-04-01 Whether or not wrongdoers show remorse and how they show remorse are matters that attract great interest both in law and in popular culture. In capital trials in the United States, it can be a question of life or death whether a jury believes that a wrongdoer showed remorse. And in wrongdoings that capture the popular imagination, public attention focuses not only on the act but on whether the perpetrator feels remorse for what they did. But who decides when remorse should be shown or not shown, and whether it is genuine or not genuine? In contrast to previous academic studies on the subject, the primary focus of this work is not on whether the wrongdoer meets these expectations, over how and when remorse should be shown, but on how the community reacts when these expectations are met or not met. Using examples drawn from Canada, the United States, and South Africa, the author demonstrates that the showing of remorse is a

site of negotiation and contention between groups who differ about when it is to be expressed and how it is to be expressed The book illustrates these points by looking at cases about which there was conflict over whether the wrongdoer should show remorse or whether the feelings that were shown were sincere Building on the earlier analysis the author shows that the process of deciding when and how remorse should be expressed contributes to the moral ordering of society as a whole This book will be of interest to those in the fields of sociology law law and society and criminology Life and Learning XI University Faculty for Life.
