The Lausanne Conference 1949:

The Lausanne Conference, 1949 Neil Caplan,1993 From the John Holmes Library collection [Palestinian Refugees after 1948](#) Marte Heian-Engdal,2020-02-20 After more than seventy years the Palestinian refugee problem remains unsolved But if a deal could have been reached involving the repatriation of Palestinian refugees it was in the early years of the Arab Israeli conflict So why didn t this happen This book is the first comprehensive study of the international community s earliest efforts to solve the Palestinian refugee problem Based on a wide range of international primary sources from Israeli US UK and UN archives the book investigates the major proposals between 1948 and 1968 and explains why these failed It shows that the main actors involved the Arab states Israel the US and the UN agreed on very little when it came to the Palestinian refugees and therefore never got seriously engaged in finding a solution This new analysis highlights how the international community gradually moved from viewing the Palestinian refugee problem as a political issue to looking at it as a humanitarian one It examines the impact of this development and the changes that took place in this formative period of the Arab Israeli conflict as well as the limited influence US policy makers had over Israel

Israel and the Palestinian

Refugee Issue Jacob Tovy,2014-03-05 Examining the development of Israel s policy toward the Palestinian refugee issue this book spans the period following the first Arab Israeli War until the mid 1950s when the basic principles of Israel s policy were finalized Israel and the Palestinian Refugee Issue outlines and analyzes the various aspects that together created the mosaic of the refugee problem with which Israel has since had to contend These aspects include issues of repatriation resettlement compensation blocked bank accounts internal refugees and family reunification Drawing on extensive archival research this book uses documents from Israeli government meetings from the Foreign Affairs and Defense Committee and files from the office of the Prime Minister s advisor on Arab affairs to address the many diverse aspects of this topic and will be essential reading for academics and researchers with an interest in Israel the Middle East and political science more broadly *Futile Diplomacy* Neil Caplan,2013-10-23 These two volumes provide a careful and balanced behind the scenes account of the intricate diplomatic activity of the period between the first and second Arab Israeli wars Exploiting a range of available archive sources as well as extensive secondary sources they provide an authoritative analysis of the positions and strategies which the principal parties and the would be mediators adopted in the elusive search for a stable peace The author examines the recurring deadlocks in terms of the motives and calculations of the various parties and reveals how new incentives of pressures offered by outsiders proved incapable of reversing the serious deterioration of Arab Israeli relations as the region headed for war at Suez The text of each volume comprises both analytical historical chapters and a selection of primary documents from archival sources **An Historical Encyclopedia of the Arab-Israeli Conflict** Bernard Reich,1996-03-11 A team of authorities with varying backgrounds interests disciplines and perspectives gives special attention to the period since the adoption of the Palestine partition plan in November 1947 the first Arab Israeli War up to

the Israel PLO Declaration of Principles and subsequent agreements as well as the Israel Jordan Peace Treaty and implementation process The Making of the Arab-Israeli Conflict, 1947-51 Ilan Pappé, 1992 Fifty Years of Israel Donald Neff, 1998 Etudes d'histoire économique, politique et sociale, 1959 **The Changing International Community** Charles Boasson, Max Nurock, 1974 No detailed description available for The Changing International Community A Political Study of the Arab-Jewish Conflict Rony Gabbay, 1959 Te'udot li-mediniyyut ha-huts shel Medinat Yisra'el, 1981 **Conflict Quarterly**, 1994 תולדות מדיניות חוץ ומדיניות חוץ ישראלית Israel. Ganzakh ha-medinah, 1981 The Library Catalogs of the Hoover Institution on War, Revolution, and Peace, Stanford University Hoover Institution on War, Revolution, and Peace, 1969 **Journal of Palestine Studies**, 2001 A quarterly on Palestinian affairs and the Arab Israeli conflict 1974, תולדות מדיניות חוץ **Peace in the Middle East** Israel. Miṣrad ha-huts, 1955 The Theater of Politics Eric B. Gorham, 2000-01-19 For Hannah Arendt creating a durable civil public world was of utmost importance Though many have discussed Arendt's relevance to the contemporary work of politics Eric Gorham is the first to examine her ideas of the space of appearance in the context of the university classroom In The Theater of Politics Gorham examines in detail Arendt's dramaturgical theory of politics and her method of political criticism and maintains that politics can be observed in the classroom in which students are future political actors and spectators in training Using Arendt as a theoretical platform Gorham offers innovative ideas for politicizing the classroom and for reconceptualizing faculty and student community service If professors and administrators can imagine their tasks in light of lessons learned from classical theater then students will benefit from a renewed emphasis on teaching Gorham moves to redraw the basis of political citizenship criticizing arguments offered by civic republican and communitarian theorists and crafting a richer more judicious concept of citizenship one that can be learned and practiced in the political science classroom in particular and in the university in general Israel's Peace Offers to the Arab States, 1948-1958, 1958 **Index Islamicus**, 1994
