The Lazy Ones:

The Lazy Millionaire Marc Fisher,2008 Work and work hard all of the time Until you have no life or until you become ill Unfortunately many of us think that the fundamental building block towards financial freedom and success is hard labor Perhaps it's because it is what we were taught by our parents or because that is what we learned in economics class But what if Leonardo da Vinci was right What if we could accomplish more A LOT MORE while doing less Fisher validates Da Vinci's theory through logical example and recognized psychological laws The author demonstrates that anyone can become a Lazy Millionaire in the 1 to 10 million dollar range within a 10 year period Free yourself of the burden of work and all the obligations real or perceived that interrupt our daily lives Enlightening case studies and inspiring anecdotes will reveal how YOU too can work less and make more money while fulfilling your dreams The Lazy Ones Albert Cossery,1952 **The Lazy Christian-Believer** Eunice W. Gitagia,2025-07-31 God in His infinite wisdom has always talked about laziness so many times in the bible He has always known the dangers of laziness among His children and that is why He has warned us over and over the dangers of being lazy Laziness can be the determining factor of going to heaven and to hell how By not being in line with the Word of God by not understanding the move of God and ending up disobeying what God wants from us hence ending up as a sinner and going to hell With this day and age we really need to be careful about our walk with God because the devil is very busy with all he has trying to frustrate us into disobedience to God into unbelief of the power of God and who God is through means like laziness Let us be aware of the devil's ways and be very careful in our walk salvation so that when we stand before God in judgement it won't be to be sent to hell but to reign with Him in eternity Nationalism Crawford S.
