Congress. House. Committee on Appropriations. Subcommittee on the Departments of Labor, Health and Human Services, Education, and Related Agencies,2002 Family Policy Matters Karen Bogenschneider,2024-02-23 This new edition captures the evolving post pandemic landscape of family policy the

transformational changes that have occurred within contemporary families and the social economic and racial ethnic disparities that have grown across families The book draws on policies from around the globe to make an evidence based case for family policy and its contributions to families and to society Bogenschneider tackles a significant challenge of our times the polarization of politics including why it occurs and how professionals can bridge the divide Beyond the basics the book provides best practices for turning analysis into action by drawing on cutting edge research and a point of view often overlooked in policy books the voice of policymakers themselves Imbued with hope yet fundamentally realistic

Bogenschneider applies a relationship based and strikingly nonpartisan approach for those who want to make a positive difference for families whether they engage local policymakers in towns cities and counties state national lawmakers or decision makers in businesses nonprofits and philanthropy Accompanied by updated web based teaching materials and a family impact toolkit this is core reading for undergraduate and or graduate courses in family or social policy taught in human development and family studies psychology counseling social work sociology public policy political science and education It is also essential reading for professionals and policymakers interested in pursuing better public policy for families in all their diversity across the lifespan
