**The Laughing Jesus** Timothy Freke, Peter Gandy, 2005-07-12 Timothy Freke and Peter Gandy authors of *The Jesus Mysteries* and *Jesus and the Lost Goddess* return with a powerful indictment of Jewish Christian and Islamic fundamentalism and a passionate reinterpretation of Gnostic spirituality According to Freke and Gandy religiously inspired acts of violence such as the attacks on 9 11 are nothing new They are the continuation of a long and bloody history of brutality caused by mistaking bizarre old books for the Word of God The time has come to end religious intolerance and wake up to oneness by rediscovering the Gnostic way of transforming oneself and the world Freke and Gandy's *Incendiary New Book Is a Wake Up Call to the World* What if the Old Testament is a work of fiction Jesus never existed and Muhammad was a mobster What if the Bible and the Qur'an are works of political propaganda created by Taliban-like fundamentalists to justify the sort of religious violence we are witnessing in the world today What if there is a big idea that could free us from the us versus them world created by religion and make it possible for us to truly love our neighbors and even our enemies What if it is possible to awaken to a profound state of oneness and love which the Gnostic Christians symbolized by the enigmatic figure of the laughing Jesus Discover for Yourself Why the Gnostic Jesus Laughs

**Jesus: Evidence and Argument or Mythicist Myths?** Maurice Casey, 2014-01-16 Did Jesus exist In recent years there has been a massive upsurge in public discussion of the view that Jesus did not exist This view first found a voice in the 19th century when Christian views were no longer taken for granted Some way into the 20th century this school of thought was largely thought to have been utterly refuted by the results of respectable critical scholarship from both secular and religious scholars Now many unprofessional scholars and bloggers

mythicists are gaining an increasingly large following for a view many think to be unsupportable It is starting to influence the academy more than that it is starting to influence the views of the public about a crucial historical figure Maurice Casey one of the most important Historical Jesus scholars of his generation takes the mythicists to task in this landmark publication Casey argues neither from a religious perspective nor from that of a committed atheist Rather he seeks to provide a clear view of what can be said about Jesus and of what can't
