**The Wesleyan Conference of 1849 Condemned by the Law of Christ** Christian watchman, 1849     The Law of Jesus Christ Samuel C. Phillips, 2013-12 In regard to the meaning of the word CHANGE can a law be changed yet not replaced with another law If a man changes his name does he not simultaneously replace his changed name with another name Thus if according to Hebrews 7 12 the Law of Moses was changed would not the changed law also have been simultaneously replaced with another law by the Lord God If not as is commonly believed by church leaders today claiming that the New Testament does not constitute a law how then could God be charging Christians with sin in light of the fact that sin is the transgression of the law 1 John 3 4 Also if not what then did the apostle Paul mean when in addressing Christian believers he said For not the hearers of the law are just before God but the doers of the law shall be justified Romans 2 13 The doers of which law The Law of Moses that he said the Lord Jesus Christ abolished Ephesians 2 13 15 and also which all Christians are not under as he said in Romans 6 14 Or was he referring to the law of Christ under which he said he was 1 Corinthians 9 21 and which he urged the Christian believers to all fulfil Galatians 6 2 What is this law of Christ How is it defined How is it fulfilled or kept How is it violated How are violators punished In this book we show in depth from the Holy Bible that contrary to the pervasive view in the church today the Law of Moses was not merely fulfilled and terminated by Christ Jesus but instead replaced and that Christians are in fact under a law and will be judged by this particular law We also clearly show what this law entails how it is violated and how violators are punished Years ago visited by an angel before sometime later also in a dream meeting the Lord God on the side of a mountain see By What Authority page 195 Sam Phillips was called away from a successful fine art career to be a prophet to the church now mired in spiritual deception and disobedience to God     **Summary of the Law of Christ; Or The Duty and Happiness of Man** Josiah William Smith, 1859     The Law of God Ratified, by the Gospel of Christ: Or, the Harmony of the Doctrine of Faith, with the Law of Righteousness ... As it was Delivered in Several Sermons ... by Mr Mainard, Etc. [With a Dedicatory Epistle by H. Hurst.] John MAYNARD (Minister of the Gospel at Mayfield in Sussex.), 1674     *The Royal Law of Liberty* Darwin Chandler, 2003 This book is a frontal assault on all law based obedience oriented religion Most Christians carry a load of spiritual bondage condemnation guilt and shame Some are deeply despondent and depressed because this load is too heavy for them to bear Few Christians are truly confident in their personal relationship with God This situation exists because 1 Christians are generally unable to distinguish between actual sin versus mere human opinion about sin 2 Christians do not understand that Jesus set them free from obedience based religion 3 Christians do not know how to decide for themselves what is truly moral 4 Christians have no real experience of Christian Liberty These issues are examined in sufficient detail to enable one to understand the radical nature of the freedom for which Christ set us free Gal 5 1 The author s goal is to destroy the roots of religious legalism so

Christian believers can live the life of freedom which is their spiritual birthright. Beginning with a development of the Master Key to Biblical morality, the nature and implications of Christ's Law of Love are thoroughly explored. Next, the author discusses the true nature of morality, answering the question, "What exactly makes a thing sinful?" Careful attention is given to the concept of defilement or uncleanness, with a bold look at Paul's revolutionary statement that nothing is unclean of itself (Rom 14:14-20). In Part Three, Legalism is exposed in all its ugliness. This section details the Biblical method for determining what is truly sin and what is merely human opinion. Part Four destroys the bitter root of Legalism with persistent emphasis on the fact that Jesus Christ ended the rule of law by His life, death, and resurrection. Part Five looks at the theology of Galatians, the Christian's Emancipation Proclamation, closing with pointed illustration of how this all affects a Christian's liberty to exercise personal choice in what he will or won't do. Five appendices explore several specific issues raised by the preceding study. These include: Conclusions About Christian Liberty, Contradictory Scriptures, Christian Liberty and Sexual Issues, The Necessity Of Experiencing Freedom, The Non-Negotiables of Bible Study. This is the only book on Christian Freedom written by an ex-Fundamentalist. The author was raised in an atmosphere of extreme legalism. The first half of his Christian ministry was spent preaching, defending, and even debating the concepts that he now seeks to destroy. The author lived in legalism forty years. He understands legalism. He therefore knows how to attack its vulnerable spots. His goal was not to write a book but to give to anyone who is interested information that will set them free from bondage to legalism and open the pathway to self-government under the rule of love. *The Law, the Gospel, and the Modern Christian* Willem VanGemen, 1993. The Protestant Reformation sparked an ongoing debate among Christians on the relationship between the Law and the Gospel as part of the discussion of the relationship of the Old and New Testaments. Questions such as these are being asked: Do the Law and the Gospel belong to two separate dispensations? Has the Gospel replaced the Law? What is the relevance of the Old Testament Law to our lives as Christians? Is there continuity between it and what Christ expects of us in the Gospel? It is no secret that Christians have differed widely on these questions. This book, using the familiar format of a Views book, explores five major approaches to this important biblical topic that have developed in Protestant circles. Each of the five authors presents his particular perspective on the issue and responds to the other four.
