

THE LONG-LOST  
CLASSIC EXPLORATION  
OF THE PSYCHIC POWERS  
OF THE HUMAN MIND!

# THE LAW OF PSYCHIC PHENOMENA

By Thomas J. Hudson, Ph.D., LL.D.  
VOLUME 1

# The Law Of Psychic Phenomena

**Thomson Jay Hudson**

## **The Law Of Psychic Phenomena:**

*The Law of Psychic Phenomena* Thomson Jay Hudson,2019-11-21 In *The Law of Psychic Phenomena* Thomson Jay Hudson explores the intricate relationship between the mind and the universe offering a comprehensive analysis of psychic phenomena within a framework of emerging psychological and metaphysical theories of the late 19th century Hudson's literary style merges rigorous scientific inquiry with speculative discourse drawing on contemporary advancements in psychology and the nascent field of parapsychology. This seminal work engages with the philosophical implications of psychic abilities challenging readers to reconsider the boundaries of human perception and consciousness while dissecting the laws that govern such experiences. Thomson Jay Hudson was not only a legal practitioner but also a pioneer in the exploration of the mind's capabilities and limitations. His multifaceted background blending law, scientific curiosity, and a cultural context permeated by spiritualism informs his passionate interrogation of the uncharted territories of human experience. Hudson's own encounters and interests in psychic phenomena propelled him to document these insights merging empirical skepticism with open-minded exploration. Readers with an interest in the intersections of psychology, spirituality, and science will find *The Law of Psychic Phenomena* both enlightening and provocative. Hudson's meticulous examination invites individuals to reflect on their own beliefs about consciousness and the unseen energies that shape our reality making it a compelling read for both skeptics and enthusiasts of the paranormal. In this enriched edition we have carefully created added value for your reading experience. Hand-picked Memorable Quotes shine a spotlight on moments of literary brilliance. Interactive footnotes clarify unusual references, historical allusions, and archaic phrases for an effortless, more informed read.

*The Law of Psychic Phenomena* Thomson Jay Hudson,2025-06-20 *The Law of Psychic Phenomena* by Thomson Jay Hudson is a pioneering work of psychical research offering a rational and systematic framework for understanding hypnosis, telepathy, mediumship, and mental healing. Hudson introduces the dual mind theory dividing human consciousness into objective, logical, and subjective, intuitive faculties and explains how this model can account for paranormal phenomena without invoking the supernatural. Balancing scientific skepticism with open-minded inquiry, Hudson's work helped shape early psychology, spiritualism, and mind science movements. A landmark of rational occultism, this book still resonates with those exploring the boundaries between mind science and spirit.

*The Law of Psychic Phenomena. A Working Hypothesis for the Systematic Study of Hypnotism, Spiritualism, Mental Therapeutics, Etc....* Thomson Jay Hudson,1910

**The Law of Psychic Phenomena**

Thomas Jay Hudson,2020-03-30 Thomson Jay Hudson attempts to explain mental phenomena in a way which reconciles with the physical sciences phenomena such as hypnotics, spiritual visions, subjective memories, and the subconscious mind. Hudson was fascinated in how the trances of those under hypnosis resembled the spiritual mediums that purportedly could communicate with ghosts and spirits from the beyond. Based on these and other observations a theory that humans have at their disposal two minds each capable of different capacities and powers of mental utility. Over time Hudson thought

argument about the nature of mind to be irrelevant he considered the two minds hypothesis to be irrefutable in the face of psychic phenomena all men have an objective conscious mind and a subjective unconscious mind The spiritism movement and general interest in psychics reached ever greater heights towards the end of the 1800s The Law of Psychic Phenomena published in 1893 summarizes the popular phenomena and strange mental occurrences that had captured popular interest in the foregoing years Though much of Hudson s work on spiritualism and communication with ghosts is disregarded by modern science his notions of human consciousness the two minds theory was influential and would inspire further researches by psychologists and mental researchers     *The Law of Psychic Phenomena* Thomson Jay Hudson,2017-09-08 Originally published in 1901 and republished here by Forgotten Books The Law of Psychic Phenomena A Working Hypothesis is author Thomas Jay Hudson s examination of what is here referred to as psychic phenomena namely hypnotism mental therapeutics clairvoyance ghosts and many other topics that some may consider fantastical The purpose of the book as stated by Hudson is to assist in bringing Psychology within the domain of the exact sciences While there is no disputing that psychology today enjoys the same level of academic and scientific rigour as other fields skeptics may take issue with the phenomena that the author lumps into the field of psychology Hudson begins the book with a discussion on the importance of formulating a working hypothesis before laying out his own The author argues that man has two minds an objective and subjective with the subjective mind amendable to control by suggestion and incapable of inductive reasoning It is with this hypothesis that Hudson carries out an examination of various forms of psychic phenomena This is not a book for the reason minded skeptic to enjoy Much of the text is devoted to what many would classify as the supernatural Nor does the author offer logic based arguments for skeptics rather he dismisses them outright stating I will not waste time however by attempting to prove by experiments of my own or of others that such phenomena do occur It is too late for that The facts are too well known to the civilized world to require proofs at this time The man who denies the phenomena of spiritism to day is not entitled to be called a sceptic he is simply ignorant If you are not willing to go into this book with a blanket acceptance of the supernatural you will likely take issue with many of the passages If nothing else Hudson displays a daring sense of boldness by concluding the book by tackling the subject of Christ and applying his working hypothesis for psychic phenomena to the story of the Bible While an interesting read The Law of Psychic Phenomena is simply too short on legitimate proof to recommend as a worthwhile exploration into the topic About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works     **The Law of Psychic Phenomena** Thomas Jay

Hudson,2007-06 In the Law of Psychic Phenomena by author Thomas Jay Hudson Hudson has attempted to create a classification of verified psychic phenomena accounts of which is found in the literature current on the subject and has tentatively formulated a working hypothesis for the systematic study of all classes of psychic phenomena Hudson has collected a vast array of facts thus accumulated and verified and awaiting scientific classification and analysis which would seem to justify at least a tentative effort to apply to them the processes of induction to the end that the fundamental law of psychic phenomena may be discovered This is an important work for those who are interested in the writings of Thomas Jay Hudson and also those with an interest in understanding psychic phenomena    **The Law of Psychic Phenomena** Thomas Jay Hudson,2014-03 This Is A New Release Of The Original 1912 Edition    **The Law of Psychic Phenomena** Thomson Jay Hudson,1893    **The Law of Psychic Phenomena** Thomson Jay 1834-1903 Hudson,2015-08-24 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant    **LAW OF PSYCHIC PHENOMENA A WORK** Thomson Jay 1834-1903 Hudson,2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant    **The Law of Psychic Phenomena** Thomas Jay Hudson,2022-05-13 The primary object of this book is to assist in bringing Psychology within the domain of the exact sciences It has long been felt by the ablest thinkers of our time that all psychic manifestations of the human intellect normal or abnormal whether designated by the name of

mesmerism hypnotism somnambulism trance spiritism demonology miracle mental therapeutics genius or insanity are in some way related and consequently that they are to be referred to some general principle or law which once understood will simplify and correlate the whole subject matter and possibly remove it from the domain of the supernatural This book explores all areas of the metaphysical world from early philosophics to hypnotism and mesmerism clairvoyance visions right through an overview of the psycho therapeutic practices of that time The phenomena of spiritism is covered in all its forms including contact with the spirit world as well as case histories of witchcraft hauntings and possession

**The Law of Psychic Phenomena** Thomson Jay Hudson,1892 *The Law of the Psychic Phenomena; A Working Hypothesis for the Systematic Study of Hypnotism, Spiritism, Mental Therapeutics, Etc* Thomson Jay 1834-1903 Hudson,2015-12-14 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

**The Law of Psychic Phenomena. a Working Study for the Systematic Study of Hypnotism, Spiritism, Mental Therapeutics, Etc** Thomson Jay

Hudson,2009-02 A working Study for the Systematic Study Of Hypnotism Spiritism Mental Therapeutics Etc A facsimile reprint of the 12th impression **Law of Psychic Phenomena** Thomson Jay Hudson,1918 *The Law of Psychic Phenomena - Thomson Hudson* Thomson Hudson,2007-11 I do not expect this book to stand upon its literary merits for if it is unsound in principle felicity of diction cannot save it and if sound homeliness of expression cannot destroy it My primary object in offering it to the public is to assist in bringing Psychology within the domain of the exact sciences That this has never been accomplished is owing to the fact that no successful attempt has been made to formulate a working hypothesis sufficiently comprehensive to embrace all psychic phenomena It has however long been felt by the ablest thinkers of our time that all psychic manifestations of the human intellect normal or abnormal whether designated by the name of mesmerism hypnotism somnambulism trance spiritism demonology miracle mental therapeutics genius or insanity are in some way related and consequently that they are to be referred to some general principle or law which once understood will simplify and correlate the whole subject matter and possibly remove it from the domain of the supernatural The London Society for Psychical Research whose ramifications extend all over the civilized world was organized for the purpose of making a systematic search for that law The Society numbers among its membership many of the ablest scientists now living Its methods of investigation are purely scientific and painstaking to the last degree and its field embraces all psychic phenomena It has already accumulated and verified a vast array of facts of the most transcendent interest and importance In the mean time a large number of the ablest scientists of Europe and America have been pursuing independent investigations in the phenomena of hypnotism They too have accumulated facts and discovered principles of vast importance especially in the field of mental therapeutics principles which also throw a flood of light upon the general subject of Psychology This vast array of facts thus accumulated and verified and awaiting scientific classification and analysis would seem to justify at least a tentative effort to apply to them the processes of induction to the end that the fundamental law of psychic phenomena may be discovered In the following pages I have attempted such a classification of verified phenomena accounts of which I find in the

literature current on the subject and I have tentatively formulated a working hypothesis for the systematic study of all classes of psychic phenomena It will be observed that I have availed myself largely of the labors of others instead of confining myself to experimental researches of my own I have done this for two reasons first that I might avoid the accusation of having conducted a series of experiments for the purpose of sustaining a pet theory of my own and second because I hold that substantial progress cannot be made in science until one is ready to accord due credit to human integrity and to give due weight to human testimony In conclusion I desire to say that I claim no credit for this work save that which is due to an honest desire to promote the truth for its own sake Sincerely believing in the correctness of my hypothesis I have not hesitated to follow it to its legitimate conclusion in every field which I have entered If at the close of the book I have seemed to trespass upon the forbidden field of theological discussion it was not for the purpose of sustaining any preconceived opinions of my own far from it It was because I was irresistibly led to my conclusions by the terms of my hypothesis and the inflexible logic of its application I cannot but be aware that my conclusions sometimes oppose the preconceived opinions of others But no one who accepts my hypothesis as the true one will be compelled more frequently than I have been to renounce his former convictions T J H WASHINGTON D C October 21 1892

### **The Law Of Psychic Phenomena Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading The Law Of Psychic Phenomena free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading The Law Of Psychic Phenomena free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading The Law Of Psychic Phenomena free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally

available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading The Law Of Psychic Phenomena. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading The Law Of Psychic Phenomena any PDF files. With these platforms, the world of PDF downloads is just a click away.

### **FAQs About The Law Of Psychic Phenomena Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What's the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. The Law Of Psychic Phenomena is one of the best books in our library for free trial. We provide a copy of The Law Of Psychic Phenomena in digital format, so the resources that you find are reliable. There are also many eBooks related to The Law Of Psychic Phenomena. Where to download The Law Of Psychic Phenomena online for free? Are you looking for The Law Of Psychic Phenomena PDF? This is definitely going to save you time and cash in something you should think about.
