## **The Lazarus Lie:**

**The Lazarus War: Origins** Jamie Sawyer, 2016-08-25 Following *Artefact* and *Legion Origins* is the third and final book of the Lazarus War an action drenched space adventure series from one of the most exciting new voices in science fiction. For someone who has died and come back as many times as Conrad Harris the nickname Lazarus is well deserved. His elite military team are specialists in death running suicide missions in simulant bodies to combat the alien race known as the Krell. But now the Krell Empire has wreaked such devastation that military command is desperate for a new strategy against the alien foe. Harris and his team are being sent on a mission that could finally turn the tide of the war. Intelligence has been uncovered that indicates the location of the UAS *Endeavour* a ship that went missing years ago deep in Krell territory. The ship could hold secrets to harnessing an ancient alien technology possibly the most powerful weapon in the known universe. But if this power falls into the wrong hands the consequences for humanity are unimaginable. Praise for *The Lazarus War* novels: A gripping read that moves at warp speed. Jack Campbell author of the *Lost Fleet* novels. Hyper speed entertainment from a new master of science fiction. William C Dietz author of the *Legion* novels and *HALO* tie in novels. An adrenaline shot of rip roaring military SF. Stephen Deas author of *Elite Wanted Empires Infiltrationand Extraction*. Gripping, gritty and unsentimental. Sawyer shows us how perilous future war can be. Michael Cobley author of the *Humanity's Fire* series. A fun gripping adventure story with a mystery at its core. Gary Gibson author of *Stealing Light* Starships sporting particle beam weapons railguns the size of skyscrapers. This dear readers is the good stuff. Neal Asher author of the *Agent Cormac* novels.

**The Lazarus Parable** John Bonner, 2007-08 For those who live there Earth is both paradise and prison a place for people to live out their lives with no hope of leaving or knowledge of what exists beyond this world. Then on one otherwise uneventful day two odd looking men from another planet suddenly appear with an offer the citizens of Earth can't refuse the power to travel into the unexplored frontiers of the universe. But first the Earthlings must prove they can bring peace to their world and show love for their fellow man. At first Earth's inhabitants are skeptical of their new friends but soon realize the magnitude of the gift these aliens have offered. They are given five years to end their wars and create an atmosphere of peace and social harmony needed to impress the union of worlds. While the world is filled with excitement the Reverend Jimmy Jordan questions his faith in God which leaves no room for the existence of life beyond Earth. He studies the Bible in earnest to strengthen his beliefs and he discovers a startling secret concerning Earth's new friends one that could have dire consequences for the planet and the people living on it.     [Lazarus Is Dead](#) Richard Beard, 2012-09-25 This story of Jesus's childhood best friend is a thrilling meta novel and one of Kirkus Reviews Best Books of the Year. Maria Semple author of *Where'd You Go Bernadette*. Like most successful men in their early thirties Lazarus has plans that don't involve dying. He is busy organizing his sisters his business and his women. Life is mostly good until far away in Galilee without warning his

childhood best friend Jesus turns water into wine Immediately Lazarus falls ill And with each subsequent miracle his health deteriorates a nasty cough develops into an alarming array of afflictions unresponsive to the usual remedies His sisters think Jesus can help but the two men haven't spoken for years Lazarus is willing to try anything to make himself well anything that is except ask Jesus for help Lazarus dies Jesus weeps Lazarus rises This part we all know But Lazarus is about to discover that returning from the dead isn't easy at all An ingeniously funny and moving novel disguised as biography Lazarus Is Dead recounts the story of a great friendship lost and regained that unabashedly turns convention on its head Richard Beard draws on biblical sources historical detail art and contemporary literature to cast a spell that remains unbroken until the final pages of this story about second chances Beard's take on Lazarus is nothing less than astonishing and he respects the reader by taking religion and religious questions seriously Kirkus Reviews starred review Thoroughly entertaining a brilliant genre bending retelling and subversion of one of the oldest most sensational stories in the western canon Sunday Business Post Ireland Clever and original keeps the reader guessing until the death and beyond The Financial Times
