The Letters Of William S Burroughs 1945 To 1959 1945 To 1959:

The Letters of William S. Burroughs William S. Burroughs, 1993 Guru of the Beat generation controversial eminence grise of the international avant garde dark prophet and blackest of black humor satirists William S Burroughs has had a range of influence rivalled by few living writers This meticulously assembled volume of his correspondence vividly documents the personal and cultural history through which Burroughs developed revealing clues to illuminate his life and keys to open up his texts More than that they also show how in the period 1945 1959 letter writing was itself integral to his life and to his fiction making These letters reveal the extraordinary route that took Burroughs from narrative to anti narrative from *Junky* to *Naked Lunch* and the discovery of cut ups a turbulent journey crossing two decades and three continents The letters track the great shifts in Burroughs crucial relationship with Allen Ginsberg from lecturing wise man Watch your semantics young man to total dependence Your absence causes me at times acute pain to near estrangement I sometimes feel you have mixed me up with someone else doesn't live here anymore They show Burroughs initial despair at the obscenity of his own letters some of which became parts of *Naked Lunch* and his gradual recognition of the work's true nature It's beginning to look like a modern *Inferno* They reveal the harrowing lows and ecstatic highs of his emotions and lay bare the pain of coming to terms with a childhood trauma Such horror in bringing it out I was afraid my heart would stop It is a story as revealing of his fellow Beats as it is of Burroughs he writes of Kerouac and Cassady in the midst of the journey immortalized as *On the Road* Neal is of course the very soul of this voyage into pure abstract meaningless motion and to Ginsberg as he was writing *Howl* I sympathize with your feelings of depression beatness We have seen the best of our time And throughout runs the unmistakable Burroughs voice the unique drawl that mixes the humor of the hipster and the intellect of the mandarin as unsparingly critical of contemporary politics The bastards might as well tear up the Constitution as of his own future biographers And some pansy shit is going to start talking about living his art And yet it is Burroughs living his art that makes these letters so remarkable For unlike most collections this one requires and rewards chronological reading and tells its own compelling story As Burroughs himself saw writing Ginsberg Maybe the real novel is letters to you These letters were lifelines for Burroughs the outcast and works in progress for Burroughs the writer and to read them as they were written is to experience a unique merging of life and letters the extraordinary true story of William S Burroughs homme des lettres

Death by Astonishment Andrew R. Gallimore,2025-07-01 AS FEATURED ON THE JOE ROGAN EXPERIENCE For fans of the compelling critical and investigative style of best selling authors Graham Hancock and Brian Muraresku the first detailed account of the history and science of the world s strangest and most mysterious drug DMT DMT is the world s strangest and most mysterious drug inducing one of the most remarkable and yet least understood of all states of consciousness This common plant molecule has from ancient times to the modern day been used as a tool to gain access to a bizarre alien reality of inordinate complexity and unimaginable strangeness populated by a panoply of highly advanced intelligent and communicative beings entirely not of this world In a story that begins in the Amazonian rainforests and ends somewhere beyond the stars Andrew Gallimore presents the first detailed account of the discovery of DMT and science s continuing struggle to explain how such a simple and common plant molecule can have such astonishing effects on the human mind The history of the drug involves many fascinating characters from the scientific and literary worlds including legendary ethnobotanist Dr Richard Schultes renegade beat writer and drug aficionado William S Burroughs philosopher and raconteur Terence McKenna and the high priest of the 1960s psychedelic revolution Dr Timothy Leary In the end the story of DMT forces us to reconsider our most basic assumptions about the nature of reality and our place within it **New**

Everything Lost William S. Burroughs,Geoffrey Dayton Smith,John M. Bennett,2008 In late summer 1953 as he returned to Mexico City after a seven month expedition through the jungles of Ecuador Colombia and Peru William Burroughs began a notebook of final reflections on his four years in Latin America His first novel Junkie had just been published and he would soon be back in New York to meet Allen Ginsberg and together complete the manuscripts of what became The Yage Letters and Queer Yet this notebook the sole survivor from that period reveals Burroughs not as a writer on the verge of success but as a man staring down personal catastrophe and visions of looming cultural disaster Losses that will not let go of him haunt Burroughs throughout the notebook Bits of it keep floating back to me like memories of a daytime nightmare However out of these dark reflections we see emerge vivid fragments of Burroughs fiction and even more tellingly unique primary evidence for the remarkable ways in which his early manuscripts evolved Assembled in facsimile and transcribed by Geoffrey D Smith
