The Libertarian Alternative Essays In Social And Political Philosophy:

The Libertarian Alternative Tibor R. Machan,1974 **Encyclopedia of Political Thought** Garrett Ward Sheldon,2001

Presents articles on concepts issues and notable persons related to politics and political science throughout history

Democratic Extremism in Theory and Practice Paul Lucardie,2013-12-04 Democracy and extremism are usually considered as opposites We assume that our system in the UK the USA the Netherlands etc is democratic and extremists try to destroy our system and introduce some kind of dictatorship if not chaos and anarchy Yet in many cases the extremists seem sincere in their attempt to construct a more democratic polity Hence they can be called democrats and yet also extremists in so far as they strive for a regime with characteristics that are more extreme in a significant sense This book analyses radical and extreme democratic theories and ideas in their historical context interlocked with critical descriptions of historical institutions and experiments that help to evaluate the theories Cases range from ancient Athens to recent experiments with citizen juries and citizen assemblies from the time honoured Swiss Landsgemeinde to contemporary and controversial workers councils in Venezuela and participatory budgeting in Porto Alegre Among the theorists discussed here are familiar names as well as relatively unknown persons Jean Jacques Rousseau and Karl Marx Murray Bookchin and John Burnheim William Godwin and Barbara Goodwin Anton Pannekoek and Heinz Dieterich Whereas the extreme ideas do not seem to work very well in practice they do indicate ways by which we could make existing political systems more democratic This book will be of interest to students of Politics and Current Affairs as well as inspiration to political activists and reformists

The Politics of Crime Control Professor Kevin Martin Stenson,David Cowell,1991-10-23 What is meant by crime crime prevention and crime control Who defines the acts which are deemed as criminal Who devises the sanctions and who acts as agents of social control This timely and challenging book brings together a group of leading international criminologists from all sides of the political spectrum They first examine the formation and implementation of official crime prevention and control policies In the second part they look at a range of critical perspectives which explore the definition of crime and discuss proposals for its prevention and control

A Companion to African-American Philosophy Tommy L. Lott,John P. Pittman,2008-04-15 This wide ranging multidisciplinary collection of newly commissioned articles brings together distinguished voices in the field of Africana philosophy and African American social and political thought Provides a comprehensive critical survey of African American philosophical thought Collects wide ranging multidisciplinary newly commissioned articles in one authoritative volume Serves as a benchmark work of reference for courses in philosophy social and political thought cultural studies and African American studies

The Elusive Prominence of Maxwell Anderson in the American Theater Russell Dinapoli,2011-11-28 Instructivo ameno y documentado de manera soberbia este libro constituye el primer estudio relevante sobre Maxwell Anderson publicado en Espa a El trabajo de DiNapoli ofrece una excelente introducci n a este interesante aunque controvertido dramaturgo

Liberalism and its Critics Kirk F. Koerner,2019-11-21 First

published in 1985 Liberalism was under increasing attack from both socialists and conservatives towards the end of the twentieth century This book argues that far from having little to contribute towards solving the problems of the modern world liberalism is in fact of central importance It discusses the arguments against liberalism put forward by four major political theorists refuting the general thrust of their criticisms and taking issue with many points of detail used by them to support their arguments It analyses the origins of liberalism discusses its major achievements and explains why it continues to be a crucially important movement *The Annals of the American Academy of Political and Social Science* ,1974-09

Libertarianism Defended Professor Tibor R Machan,2012-10-01 Ever since the publication in 1974 of Robert Nozick s Anarchy State and Utopia libertarianism has been much discussed within political philosophy science and economy circles Yet libertarianism has been so strongly identified with Nozick s version of it that little attention has been devoted to other than Nozick s ideas and arguments While Nozick s version of libertarianism has preoccupied the academic discussion Nozick himself did not respond to the many criticisms raised and yet other defenders of libertarianism have not remained silent Jan Narveson Loren Lomasky Eric Mack Douglas Rasmussen Douglas Den Uyl and many others have contributed impressive arguments of their own in support of the libertarian idea that a political system is just when it successfully secures the rights of individuals understood within the Lockean classical liberal tradition In this book Tibor R Machan analyses the state of the debate on libertarianism post Nozick Going far beyond the often cursory treatment of libertarianism in major books and other publications he examines closely the alternative non Nozickian defenses of libertarianism that have been advanced and by applying these arguments to innumerable policy areas in the field Machan achieves a new visibility and prominence for libertarianism **Societal Directions and Alternatives** Michael Marien,1976 *Universal Reference System*

Springer, Springer London, Limited,1980-10-01 *Social Ethics* Thomas A. Mappes,Jane S. Zembaty,1987 In its seventh edition Social Ethics Morality and Social Policy continues to provide material that will encourage reflective and critical examination of key contemporary moral problems With additional readings and a new organization that groups related chapters together under four categories this edition enhances the teachability that was the most salient characteristic of previous editions The text maintains its ability to bring the central issues into clear focus while allowing supporting arguments for widely diverse positions to be presented by those who embrace them *Applied Ethics in American Society* Diane Michelfelder Wilcox,William H. Wilcox,1997 The book offers instructors and students a well balanced anthology for ethics courses of all kinds Applied ethics Social problems Introduction to ethics and Moral problems are just some of the courses that might use this up to date collection of readings on the most hotly debated issues of our time The book also includes important readings in moral theory providing students with the necessary framework to evaluate positions The book juxtaposes several different viewpoints on various social issues Back cover This book is primarily intended for undergraduates taking philosophy courses that address contemporary moral problems Pref **Political Consciousness in**

the USA ,1984 American Philosophers, 1950-2000 Philip Breed Dematteis, Leemon B. McHenry, 2003 Essays on American philosophers engaged with philosophical topics focuses on the rise of analytic philosophy as the dominant philosophical movement in the English speaking world for most of the twentieth century Also covers libertarianism a political philosophy that holds that individuals are the sole legitimate owners of their own minds and bodies and that they should be free to do as they please **The Conservative Press in Twentieth-Century America** Ronald Lora, William Henry Longton, 1999-10-30 Including representative journals for the 20th and late 19th centuries this book profiles the most significant conservative journals of the past century From the rise of industrial capitalism when laissez faire conservatives praised bountiful America to the end of the Cold War these journals have covered a variety of topics from differing sometimes even contradictory points of view Yet they speak to the richness and comprehensiveness of the conservative press in America Together they provide a focused history of conservative thought in 20th Century America Along with the companion volume on the 18th and 19th Centuries the book provides a valuable resource for students of the conservative press in America Covering a variety of disparate journals the volume arranges them both chronologically and in sections reflecting the themes covered Politics individualism isolationism anti Communism the New Right neoconservatism and public policy are featured in four of the sections while journals examining the issues of religious conservatism appear in sections devoted to Orthodox Protestant and Catholic journals Yet another section focuses on journals dealing with literary and cultural topics The remaining sections examine libertarianism traditionalist perspectives and extreme right wing publications Each section is unified with an introductory essay exploring the connecting themes and issues **The Bibliographic Instruction-Course Handbook** Helen Rippier Wheeler, 1988 well constructed well written and easy to understand contains an impressive amount of detailed material that can be very helpful when designing a bibliographic instruction course RQ *Library of Congress Catalogs* Library of Congress, 1976 **The Jewish Journal of Sociology** ,1977 **Literature of Liberty** ,1981
