

THE  
LIFE, TRAVELS, AND LITERARY CAREER  
OF  
BAYARD TAYLOR.

---

"Crown Love, crown Truth when first her brow appears,  
And crown the hero when his deeds are done;  
The Poet's leaves are gathered one by one,  
In the slow process of the doubtful years.  
Who seeks too eagerly, he shall not find:  
Who seeking not pursues with single mind  
Art's lofty aim, to him will she accord,  
At her appointed time, the sure reward."

Conwell, 2015-06-16 Excerpt from The Life Travels and Literary Career of Bayard Taylor It is a solemn yet pleasant duty to compile in comprehensive order the records of a life so eventful and influential as that of Bayard Taylor Pleasant because there is no task more satisfactory than that of recounting the deeds of a virtuous industrious heroic life No text book of morals or of general history is so effective in educating the young as the annals of well spent years gathered for that purpose There is more or less influence in fables and mythological tales and there is considerable power in a well written skilfully plotted work of fiction but the direct and unavoidable appeal of a noble life which closed with honor and deserved renown is far more potent and permanent in the culture and reformation of the world than all other forms of intellectual and moral quickening No apology is needed for writing such a biography It would be inexcusable to leave the world in need of it While it may not serve as well as the author desires in preserving an interest in Mr Taylor s writings and in presenting to the American people his most encouraging example it will at least be a sincere tribute to Mr Taylor s memory from the writer who in foreign and inhospitable lands recieved from him most generous and patient assistance About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
