

The Late Great Me

Christy McKellen

The Late Great Me:

The Late Great Me David Maas,2015-09-23 This story covers the controversial topic of what happens when you die what you experience and the phenomenal power of the mind to work consciously unconsciously and sub consciously It also covers the way that death leads me to live a life with brain damage I literally had to learn to live again Extracts of the text have been used to teach university students who study topics associated with closed brain damage This is a step by step account of how my crippled mind was taught to work my struggle to understand how it works and the implications of its consciousness
