The Lawless Ones:

The Lawless Ones Chuck Adams, 1979-06-01 **The Lawless Ones**, 19?? *The Collegeville Bible Commentary* Robert J. Karris, 1992 The Collegeville Bible Commentary is available in an affordable two volume paperback edition Special ease binding allows the volumes to lie open without assistance Perfect for classroom use or personal study **The Lawless Ones** Emerson Dodge, 198? **The 1 and 2 Thessalonians Commentary Collection** Michael W. Holmes, Gary Shogren, John Byron, 2017-04-25 This 1 and 2 Thessalonians commentary bundle features volumes from the NIV Application Commentary Series Zondervan Exegetical Commentary Series and Story of God Bible Commentary Series authored by Michael W Holmes Gary S Shogren and John Byron The diverse features from each of the volumes gives you all the tools you need to master the books of 1 and 2 Thessalonians Israel and the Covenants in New Testament Times Peter Williams, 2016-05-23 Second Edition Updated and Revised A Bible student reference A New Testament prophecy of a falling away from truth into apostasy and lawlessness in the final generation before Jesus Christ returns in glory is being fulfilled now and is shortly to end Yet Christianity has overwhelmingly moved so far from its first century roots that it could not even recognise this or that Christ s return is therefore now almost upon us How and why this is the case is here explained thoroughly and logically with many examples directly from the word of God In God s saving plan for the world everyone must in time make a free will choice to become part of the Israel of God in order to access eternal life in the kingdom of God The route to take is the strait and narrow way Mat 7 13 14 that very few have so far found and it involves the biblical new and old covenants which both apply to this Israel Embark on this voyage only if you are willing to be challenged about some basic Christian preconceptions be a serious open minded Bible student and trust what the Bible teaches but remember that time is short What the Bible has taught me I see as both vital and urgent for our eternal salvation yet I know of no church or individual theologian who teaches what this book deals with in any substantive way Be prepared for major challenges to your understanding just as God has challenged me In the epistles Paul refers to two Israels whom he calls Israel after the flesh I Cor 10 18 and the Israel of God Gal 6 16 I focus mainly on the latter but I also explain an unexpected but critically important connection between them Dependent on the teaching nearly all Christian denominations either teach nothing at all on it or almost the opposite of what Scripture repeatedly showed me Looking back I find this absolutely staggering Very few Christians understand that the new covenant also only applies to Israel as I will clearly show I no longer believe that the NT New Testament can be fully understood without this extra Israel dimension Had I felt I could deliver this in a more light hearted way I would have done so but its implications are too awesome and fundamental to our eternal life prospects for that The Story of Faith, Hope and Love William Edward Dewberry, 2013-10-23 The Story of Faith Hope and Love is a book about discovering God s nature character love justice forgiveness and truth The Bible answers these questions and offers people hope for eternal life This book answers important questions that inquiring minds might wonder about For example where did people come from What

is the purpose of their existence What happens to them when they die Does their spirit live forever What happens to the spirit of people when the body dies This book gives an answer to all these questions and offers people hope for eternal life If this book is read without prejudice it will have the intended effect of producing faith in God Faith will lead to a desire to obey God and except Jesus Christ as the Son of God which can lead to eternal life The story of faith hope and love would be a great help to anyone in the missionary field as well as being an aid for Bible School teachers or anyone wanting to know more about the teachings of the Bible and their own personal salvation *The Letters to the Thessalonians* GENE L

GREEN,2020-05-21 In this commentary Gene Green reads Paul's two letters to the Thessalonians in light of the canon of Scripture and of new knowledge about the first century world of Thessalonica This fruitful approach helps illuminate the impact of the gospel on its original readers and in turn shows how potent a force it can be for the church and society today The book begins with an in depth study of the Thessalonians themselves their history land socioeconomic conditions and religious environment This fascinating discussion gives the necessary context for fully appreciating the circumstances surrounding the founding of the city's first church and the subsequent struggles of the Thessalonian believers to live out their Christian faith The main body of the book provides informed verse by verse commentary on 1 2 Thessalonians that extracts the fullest possible meaning from these important New Testament texts As Green's exposition shows the Thessalonian scriptures are especially valuable as letters of friendship and for showing Paul's pastoral concern for the many areas in which the Thessalonians needed guidance Some of Paul's purposes are to thank the new believers for their steadfastness amid suffering to encourage them in their trials to urge them not to neglect their daily work and no less important to teach them about the future of believers who die before Christ returns Indeed the matter of the last things and the second coming of Christ so permeates these texts that they are often called Paul's eschatological letters Filled with new information about ancient society this commentary will fast become a standard reference work for Bible study By carefully bridging the biblical and modern worlds Green shows with clarity and warmth the continuing relevance of 1 2 Thessalonians for contemporary readers

Communion of Love William Dewberry,2014-07-31 Communion of Love is an overview of the Bible focusing on God's plan of redemption from the time of the creation to the end of time The book provides a view that is written in layman terms and is a comprehensive easy to understand view of redemption and an introduction to God His Son Jesus the Holy Spirit angels Satan and the people that were directly involved in God's plan May God bless those who love God and are interested in understanding more about the great love He has always had for people **Fourth Series. Edited by**
