Jeanne Guyon's Christian Worldview Jeanne de la Mothe Guyon, 2017-11-01 In seventeenth century France Jeanne Guyon wrote about God I loved him and I burned with his fire because I loved him and I loved him in such a way that I could love only him but in loving him I had no motive save himself She called this the pure love of God Guyon traveled throughout Europe teaching others how to pray and her books became popular bestsellers She expressed her Christian faith that Jesus Christ lives within our interior life As Guyon became increasingly popular the church and state authorities used the power of the Roman Catholic Inquisition and arrested her charging her with heresy Guyon spent nearly ten years incarcerated including five years in the Bastille from 1698 1703 Finally the state authorities judged her innocent After her release she lived in Blois on the Loire River and welcomed visitors from Europe and the New World who talked with her about the Christian faith This is the first English translation of Guyon's Commentaries on Galatians Ephesians and Colossians with Explanations and Reflections on the Interior Life

The Letters of Paul Hilarion, 1990-01-01 Publication of The Letters of Paul with revisions commentary by the original author is an historic event He who was known as Paul in Christ's time has throughout the ages been called Hilarion among his colleagues has long been dismayed by the distortions deliberate alterations in the letters he wrote These have had serious effects limiting the teachings of the Christ the work of his Apostles Here at last we can begin to glimpse the wider more inclusive intention of the mission of the Christ He sought to revise the understanding of the relation of humankind to God to creation to bring all people not only those later called Christians into the awareness of love of the spiritual Self or the Christ within We learn that Paul ordained a woman as bishop that he holds no brief for a celibate priesthood that the laws of cause effect of rebirth were taught by the Christ his Disciples Fascinating too are the unknown details of Paul's life the dangers the escapes the experiences in the palace of the Roman Emperor ultimately the execution Edited by Rev Lewis E Durham Sylvia Moss Schechter

The Essence of the Christian Worldview Matt DeLockery, 2021-04-28 Every group within Christianity has its own opinions on what Christianity really is But who's right if anyone With the letter to the Colossians we have an opportunity to find an answer Paul compares Christianity to another worldview and argues that Christianity is better This book uses that comparison in order to understand Paul's Christian worldview In this book you will also find answers to some very difficult questions 1 What is God's ultimate purpose for humanity 2 Do we just do things because God told us to 3 Why does Paul tell wives to obey their

husbands 4 Why does Paul tell slaves to obey their masters 5 Why does God care what we do at all 6 Why does God command these particular actions 7 Why would we want to follow God's commands anyway 8 How does following God's commands actually make us better people Christianity is the point at which God acted through Christ to fix what was wrong with creation and bring the whole story to a different conclusion In this book you will see the big picture of Christianity and how all the dots connect from start to finish

Worldview as Worship Eddie Karl Baumann, 2011-08-01 The goal of many evangelical educators is to facilitate biblical thinking and the worldview transformation of their students Yet aside from upholding a set of moral behaviors or maintaining positions on issues perceived to be Christian the goals and aspirations of most evangelical young people differ little from their unbelieving peers As George Barna has noted We have a generation coming up that isn't looking at Christianity to answer spiritual concerns We either change or we lose them *Worldview as Worship* contends that the approach taken by most evangelical educators to the issue of worldview transformation has neglected to address two fundamental components of worldviews First that our initial worldviews are not philosophical systems but rather faith dispositions and that worldview transformation cannot simply present the biblical worldview as a more rational or logical system but must address issues of the heart as well as the mind Second unlike philosophies that are individual worldviews are communal and are learned and transformed within the context of community practice Appealing to Paul's teaching in Romans 12:1-2 *Worldview as Worship* approaches the renewing of your mind as the result of the believer's presentation of themselves as a holy sacrifice which is your spiritual service of worship The book advocates an approach to worldview transformation that focuses on believers as apprentices rather than simply as students an approach that holds true to the biblical model of discipleship As a result worldview transformation works best when the application of faith to the issues of learning and life are modeled by the faith community and where students are given the opportunity to put faith into practice

Heavenly Perspective Ian Smith, 2006-06-28 This book identifies the source of the Colossian error as from within Jewish mystical movements and shows how both the theology and practice which is taught in the epistle is to be understood from this context The book gives a helpful overview of scholarship that has attempted to identify the nature and source of the Colossian error The book unlike many others on the topic is exegetically driven and will model thorough and careful exegetical practice The book interacts with extra-Biblical texts which help the reader to understand the mystical contexts of first-century Judaism
