**The Liberal Masters** David L. Hale, 2002-08 In a far galaxy lies the planet Tyrannia home to a superior race of Liberal Tyrants Genetically constituted to enslave all with whom they come in contact they soon covet the subjugation of a free America This is the second in a series of razor edged satire by Hale author of 2084 The Year of the Liberal Liberal realism Matt Sleat, 2015-11-01 Political realism has recently moved to the centre of debates in contemporary political theory In this monograph Matt Sleat presents the first comprehensive overview of the resurgence of interest in realist political theory and develops a unique and original defence of liberal politics in realist terms Through explorations of the work of a diverse range of thinkers including Bernard Williams John Rawls Raymond Geuss Judith Shklar John Gray Carl Schmitt and Max Weber the author advances a theory of liberal realism that is consistent with the realist emphasis on disagreement and conflict yet still recognisably liberal in its concern with respecting individuals freedom and constraining political power The result is a unique contribution to the ongoing debates surrounding realism and an original and timely re imagining of liberal theory for the twenty first century This provocative work will be of interest to students and all concerned with the possibility of realising liberalism and its moral aspirations in today s world *A Critique of Liberal Cynicism* Will Barnes, 2022-07-26 Where does Extreme Liberal Cynicism so common in academic and popular culture come from and is it capable of solving the problems it identifies *A Critique of Liberal Cynicism* Peter Sloterdijk Judith Butler and Critical Liberalism identifies the motivations and resources within liberal cynicism and their potential for overcoming its pernicious extremes Will Barnes describes Extreme Liberal Cynicism as a product of mourning guilt and the experience of powerlessness stemming from the trauma of holding liberal investments in a world in which these investments are vulnerable to ideological critique and seem to have failed Extreme Liberal Cynicism seeks invulnerability through disavowing the efficacy of its constitutive ideals achieved via a reified hopelessness that eclipses trauma guilt and disempowerment leaving the cynic unhappy alienated hostile obstinate delusional and desperate thus it is a failing self defense mechanism Barnes argues that although Extreme Liberal Cynicism is rationally unjustifiable and intrinsically harmful it also contains the impetus for a reappropriation of its complex desires and losses This adjustment could compel the extreme cynic to maintain a moderate critical liberal cynicism committed to critiquing and reinvigorating its constitutive ideals of freedom equality and justice and thereby contribute positively to progressive politics **The Life and Letters of Benjamin Jowett, M.
