Life of Ma-Ka-Tai-Me-She-Kia-Kiak Or Black Hawk Ma-Ka-Tai-Me-She-Kia-Kiak, 1834 [Autobiography of Ma-Ka-Tai-Me-She-Kia-Kiak, Or Black Hawk](#) Black Hawk, 2017-06-22 SIR The changes of fortune and vicissitudes of war made you my conqueror When my last resources were exhausted my warriors worn down with long and toilsome marches we yielded and I became your prisoner The story of my life is told in the following pages it is intimately connected and in some measure identified with a part of the history of your own I have therefore dedicated it to you The changes of many summers have brought old age upon me and I can not expect to survive many moons Before I set out on my journey to the land of my fathers I have determined to give my motives and reasons for my former hostilities to the whites and to vindicate my character from misrepresentation The kindness I received from you whilst a prisoner of war assures me that you will vouch for the facts contained in my narrative so far as they came under your observation I am now an obscure member of a nation that formerly honored and respected my opinions The pathway to glory is rough and many gloomy hours obscure it May the

Great Spirit shed light on yours and that you may never experience the humility that the power of the American government has reduced me to is the wish of him who in his native forests was once as proud and bold as yourself BLACK HAWK 10th Moon 1833 ADVERTISEMENT It is presumed that no apology will be required for presenting to the public the life of a Hero who has lately taken such high rank among the distinguished individuals of America In the following pages he will be seen in the character of a Warrior a Patriot and a State prisoner in every situation he is still the chief of his Band asserting their rights with dignity firmness and courage Several accounts of the late war having been published in which he thinks justice is not done to himself or nation he determined to make known to the world the injuries his people have received from the whites the causes which brought on the war on the part of his nation and a general history of it throughout the campaign In his opinion this is the only method now left him to rescue his little Band the remnant of those who fought bravely with him from the effects of the statements that have already gone forth The facts which he states respecting the Treaty of 1804 in virtue of the provisions of which the government claimed the country in dispute and enforced its arguments with the sword are worthy of attention It purported to cede to the United States all of the country including the village and corn fields of Black Hawk and his band on the east side of the Mississippi Four individuals of the tribe who were on a visit to St Louis to obtain the liberation of one of their people from prison were prevailed upon says Black Hawk to make this important treaty without the knowledge or authority of the tribes or nation In treating with the Indians for their country it has always been customary to assemble the whole nation because as has been truly suggested by the Secretary of War the nature of the authority of the chiefs of the tribe is such that it is not often that they dare make a treaty of much consequence and we might add never when involving so much magnitude as the one under consideration without the presence of their young men

Autobiography of Ma-ka-tai-me-she-kia-kiak, or Black Hawk. Illustrated Ma-ka-tai-me-she-kia-kiak, 2023-01-04 Dictated to government interpreter Antoine LeClair following nearly a year in captivity Black Hawk's Autobiography captures his youth among the Sauk in the American Midwest his union with British forces during the War of 1812 and his eventual rebellion against white settlers during the 1832 Black Hawk War Revered by generations for his bravery and leadership Black Hawk was also the first Native American to publish an autobiography My reason teaches me that land cannot be sold The Great Spirit gave it to his children to live upon and cultivate as far as necessary for their subsistence and so long as they occupy and cultivate it they have the right to the soil but if they voluntarily leave it then any other people have a right to settle on it Nothing can be sold but such things as can be carried away In his own words Black Hawk tells the story of his life and of his people Long mistreated and betrayed by American settlers and government forces alike The Autobiography of Ma-Ka-Tai-Me-She-Kia-Kiak, or Black Hawk Black Hawk, 2021-07-29T21:13:15Z Black Hawk so named after the sacred medicine bag he carried with him was a warrior and a leader of a tribe of Sauk Native Americans in the American Midwest circa 1800 He rose to leadership during a tumultuous time for his people as they were pressed on all sides by the warlike

British the ruthlessly expansionist Americans and the grudges and jealousies of neighboring tribes He lived as a warrior for much of his early life when the War of 1812 between the British and the Americans forced the Sauk to take sides and enter the fray Angered by the Americans demands they sign shaky treaties to cede their land the tribe fought for the British until the toll of the war forced the tribe to bow out After the war Black Hawk signed a peace treaty with the Americans but a series of misunderstandings once again brought tensions between the Sauk and the Americans to a head When a group of under trained Illinois militia mistakenly opened fire on the Sauk Black Hawk began what is known as the Black Hawk War leading raids against American forts and settlements in an effort to reclaim their ancient land Even though Black Hawk managed to convince other tribes to join his cause the war was quickly lost and Black Hawk captured He was then taken on a tour of the vast East Coast cities in an attempt to impress upon him America s overwhelming might Despite his status as a former enemy he was treated with dignity and respect by his captors before they granted him a small house and plot of land in Iowa to live out the rest of his days His autobiography was dictated to a translator Antoine Le Clair and written down by his amanuensis and publisher J B Patterson The story Black Hawk tells is a vivid one of life on the prairie rich with tradition and meaning but riven equally by war and bloodshed As he reminisces about the bucolic life he and his ancestors once led and compares it with the hardships his people are facing his sorrow becomes palpable and as his days draw to a close the reader sees that even to Black Hawk the fate of his people appears inevitable This book is part of the Standard Ebooks project which produces free public domain ebooks
