**The Life of Saint Issa** Nicholas Notovitch, Virchand R. Gandhi, 2018-07-25 Notovitch's biography of Saint Issa in which he asserts that Jesus Christ spent many of his missing years traversing India is presented here. A Crimean Jewish adventurer and explorer of India, Notovitch traveled widely across the East in the late nineteenth century. He claimed to have discovered a biographical document in Hemis Monastery located in modern day India from which he created this book. The bold and fantastical claims about Christ attracted attention from scholars of Christianity and the popular media of the time. Spotting inconsistencies in Notovitch's account, it was only after being confronted with these that he apparently confessed to having fabricated the biography of Jesus Christ. For some years the entire matter was considered a hoax until the Indian mystic Swami Abhedananda visited the Hemis Monastery where a monk confirmed that Notovitch had stayed some six weeks there convalescing with a broken leg whereupon he read the disputed documents concerning Christ. **The Life of Saint Issa**

Nicholas Notovitch, 2017-04-20 Notovitch's biography of Saint Issa in which he asserts that Jesus Christ spent many of his missing years traversing India is presented here in large print. A Crimean Jewish adventurer and explorer of India, Notovitch traveled widely across the East in the late nineteenth century. He claimed to have discovered a biographical document in Hemis Monastery located in modern day India from which he created this book. The bold and fantastical claims about Christ attracted attention from scholars of Christianity and the popular media of the time. Spotting inconsistencies in Notovitch's account, it was only after being confronted with these that he apparently confessed to having fabricated the biography of Jesus Christ. For some years the entire matter was considered a hoax until the Indian mystic Swami Abhedananda visited the Hemis Monastery where a monk confirmed that Notovitch had stayed some six weeks there convalescing with a broken leg whereupon he read the disputed documents concerning Christ. Today although Notovitch's alternate account of Jesus' life and existence during his lost years is discredited, it remains an interesting and notable episode in Christian biography. For his part, Notovitch continued to write for the remainder of his life, albeit on topics surrounding politics and national leaders rather than religion. This edition of The Life of Saint Issa contains the translation of Jainist scholar Virchand R. Gandhi. The Life of Saint Issa Virchand R. Gandhi, 2005-12-01 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia, and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high-quality modern editions that are true to the original work. **The Unknown Life of Christ**

, 2010-07-28 Ancient scrolls reveal that Jesus spent seventeen years in India and Tibet. From age thirteen to age twenty-nine, he was both a student and teacher of Buddhist and Hindu holy men. The story of his journey from Jerusalem to Benares was recorded by Brahman historians. Today they still know him and love him as St. Issa, Their Buddha. Large Print 15 point font

**The Issa Tale That Will Not Die** Louis H. Fader,2003-09-16 This book is a fresh investigation disproving the notion popular today among certain segments of the world s religious culture that the Russian journalist Nicholas Notovitch definitely discovered at an Indo Tibetan monastery a bona fide ancient Buddhist manuscript which allegedly described Jesus travels to India and Central Asia before he then launched his well known public ministry

back in Israel This scholarly study is intended to provide both Christians and non Christians alike the knowledge necessary to see through the Russian s literary fraud first published by him in 1894 and to reject the claims of his many latter day followers The present work also attempts to integrate the Notovitch hoax into the current religious milieu and unmasks the lack of honesty integrity and credible scholarship of those New Age writers and others who today mistakenly support the Issa fabrication as genuine and claim as did Notovitch which the Issa text fills in the missing years of the canonical Gospels

**The Encyclopedic Sourcebook of New Age Religions** James R. Lewis,2004 In the late 1980s the New Age movement became the focus of both media attention and widespread ridicule as some of the more outlandish aspects of the movement such as channeling and the use of crystals for healing briefly piqued the public s curiosity While the movement was at its height scholars of religion generally sneered at what was perceived to be a daffy shallow craze and ignored it as a subject of serious study Professor James R Lewis was among the first to examine this growing religious phenomenon scientifically In previous books he has investigated the New Age as the most visible manifestation of a significant spiritual subculture the roots of which reach back to Theosophy Spiritualism and New Thought The present collection pursues this theme bringing together some of the best recent scholarship on new religions Since the height of its popular influence the New Age has declined in strength but has given rise to a plethora of new denominations all shaped by New Age ideas and spirituality Reflecting the emergence of this new denominational structure the core chapters of this book focus on specific groups Other chapters examine the movement s historical roots A unique feature of Dr Lewis s work is his inclusion of extensive selections from New Age literature thus allowing readers to experience firsthand the unusual perspectives of the various groups This is a fascinating examination of a significant and persistent religious and social phenomenon

**God's Other Children** Bradley Malkovsky,2013-05-07 A classic for our time a testimony matching our best efforts to keep the faith and celebrate the diversity around us Francis X Clooney SJ Parkman Professor of Divinity and Director of the Center for the Study of World Religions Harvard University God s Other Children by Bradley Malkovsky is a charming spiritual travelogue that tells the tale of a Catholic religious scholar who goes to India to study Hinduism and winds up falling in love with and marrying a Muslim Malkvosky who holds a degree in Catholic theology shares how his spiritual journey grew his faith while raising questions about it that he had never considered and how it changed his life in ways he could never have imagined Inspiring and profound God s Other Children Personal Encounters with Faith Love and Holiness in Sacred India offers a fascinating perspective on how people of all faiths encounter God Winner of the Huston Smith Publishing Prize from HarperOne The most interesting and inspiring book that I have read in a very long time Huston Smith author of The World s Religions A candid memoir about an unusual spiritual journey and a plea for ecumenical tolerance Kirkus Reviews A spiritual adventure story that illustrates the freedom and fulfillment that can be discovered in encounters with other religions and their practices Spirituality and Practice An important work that I hope will have wide reception among scholars and ordinary readers alike
