eavesdrop outside one of the closed clinic room doors secretly listening on Diane D's private conversation while Diane D is alone inside the clinic room talking on the telephone. The two male hospital employees hear Diane D about to leave the room. They quietly back up and quietly race back down the other end of the hallway. As the two male hospital employees hide round the corner they hear Diane D leaving the room. They accidentally make a loud noise and fear that the loud noise has attracted Diane D's attention. They run down the stairs into the lower level of the clinic area. They then hide and bend behind some boxes inside another dimly lit isolated hallway. As they hide behind the boxes and carts they see Diane D in the distance coming from around the corner. They secretly watch Diane D from the distance. They see her strange eerie behavior as she looks around the dimly lit hallway. They then see her go from closed locked clinic room door to closed locked clinic room door trying to open each door as if looking for someone. They then witness Diane D do something so strange and so frightening that they become shocked and frozen in fear. They frighteningly have their backs leaned against the wall with their mouths and eyes wide open not able to move. Diane D then goes into a storage room. While she is inside the storage room the two male hospital employees manage to break loose from their fear. They quickly sneak away and frighteningly run down the hallway. They then turn around the corner and race towards the stairwell. They reach the stairwell door and run into the stairwell. Once inside the stairwell they run right back up the stairs not looking back. This story also involves Diane D's eerie and frightening performance in Germany which causes several thousand spectators in a German park to scream and run in fear. This story also involves the Dianettes back stage attack on another well known female singer who wanted to perform and collaborate on stage with them and Diane D at a shopping mall. Again the Dianettes will not hear of it. They later chase down the well known female singer and her husband behind the shopping mall inside the parking lot. They catch up to the well known female singer and her husband and knock them down to the ground. They then attack the well known female singer and her husband. All six of the Dianettes are then tossed and thrown behind bars again over the beat down. The well known female singer and her husband both had to be hospitalized which causes the well known female singer's upcoming concert in New York to be canceled. This story also involves the Dianettes attack on two well known Latin female duo who tried to perform and collaborate with them and Diane D. Again the Dianettes will not hear of it. They later chase down the well known Latin female duo outside a police station.
