The Wiser-Mouse Legacy Derek V. Everard, 2012-05 It is quite rare to encounter an authentic Christian living in obedience to Jesus Word This spiritual guide focuses on the practice of what Jesus taught in easy non religious terms It explores how we may apply Jesus principles to our everyday lives He stated in John 7 16 My doctrine is not Mine but His that sent Me This true life adventure includes a legacy of spiritual wisdom discovered in an abandoned cottage on the edge of Exmoor Forest Some beautiful sketches of a Yellow Necked mouse added to the intrigue of wondering why the scribe signed his work as Wiser Mouse Now rescued from the ruin of dampness and decay his messages are woven into the Legacy as The Lost Notebooks of Wiser Mouse Spiritually mature Christians need to challenge the widespread insidious teaching and practice of unsound doctrine 1 Cor 2 15 Do we blindly follow the traditions of man and his churches Or do we obey the commands of God in the Holy Bible They are distinctly different But in vain do they worship Me teaching for doctrines the commandments of men Matt 15 9 the Holy Bible is the final arbiter on all matters of Christian doctrine It is utterly irrelevant as to WHO is right authenticity is focused only on WHAT is right the Wiser Mouse Legacy is for those who seek to live the immutable doctrine of truth as taught by our Lord Jesus Christ Little Boy Wild Derek Kurtis, 2006 Little Boy Wild was a small boy who did not have permission to be alive and this is his epic real life journey as an abused child in search for himself It is fearless hauntingly beautiful and sometimes disturbing Whenever he can he lives wild with the animals his only true friends while he seeks to avoid the Humans who may cause him to opt out and hide far within himself It is rare for a work of this magnitude to appear on the literary scene but in spite of all the hurt involved Little Boy Wild moves forward in his quest for self identity and love with hurtful self searching honesty Wild Boy s personas are deeply split and fragmented His adventures may well come across like the reading of a psychiatrist s highly confidential doctor patient journal of record all wrapped up in hilarious humour and rollicking fun His psyche switches between two major personalities plus the Preacher and the Movie Director Frequently he sees Little Boy Wild outside of himself He is also psycho sexually warped and is unsure as to whether he is gay or not Eventually he blows his mind apart with LSD but in the final analysis out of all the hell of psychosis something very beautiful occurs Little Boy Wild and I struggled Phoenix like throughout our tragic childhood and turbulent teens to an adult life under the guise of normalcy We later discovered that we were gifted the pain of emotional and physical torture in order to become an entity of extraordinary resilience and strength This now enables us to see with eyes that know the unknowable and to understand that which others can only approach as a frontier to be explored Keep track of news and book signings at [littleboywild.com](http://littleboywild.com) Explore the site with audio on One click will return you to our Trafford site **Ecstasy's Fire** Rosalyn Alsobrook, 1988-07 The Widowed Bride of Raven Oaks Peggy Darty, 1989

*Midday In Italian Literature* Nicolas James Perella, 2015-03-08 Although midday is commonly associated with indolence or the languishing of both nature and humanity in stifling heat Nicolas Perella shows that this connection however real is secondary to an archetypal encounter with noontide as a moment of existential crisis of spiritual as well as erotic dimensions First tracing the literary presence of this image from classical and biblical antiquity to Nietzsche and other modern writers he then analyzes the preoccupation with midday in the imagination of Italian authors from Dante to the present When the sun is at its point of greatest strength the blaze of noon is variously experienced as a wave of glory or a moment of dread as an occasion for reaching out to the Absolute or retreating from the Abyss as a source of fullness and energy or of emptiness and lethargy that ultimately may either expand or annihilate being The author contends that it is the intimation of crisis surrounding this ambiguous moment that accounts for the richly variegated psychological and aesthetic experience of its imagery in Italian literature Originally published in 1979 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905
