

THE STARSHIP DIARIES

Two years exploring the planet
in the last aircraft of its kind

The Starship Diaries follows two men as they travel the world in the last aircraft of its kind. From the deserts of the American Southwest to the jungles of Costa Rica, the authors document their two-year odyssey in this unique flying machine. From the moment they first step into the Starship, the reader is transported to a world of wonder and discovery. The authors' enthusiasm for their subject is infectious, and their writing is both informative and entertaining. This is a must-read for anyone interested in aviation history or the spirit of exploration.
