United States Patent Office, 1944 **The Big Red One** James Scott Wheeler, 2007 No mission too difficult no sacrifice too great. Duty First. For almost a century from the Western Front of World War I to the deserts of Iraq this motto has spurred the soldiers who wear the shoulder patch bearing the Big Red One. In this first comprehensive history of America's 1st Infantry Division James Scott Wheeler chronicles its major combat engagements and peacetime duties during its legendary service to the nation. The oldest continuously serving division in the U.S. Army the Fighting First has consistently played a crucial role in America's foreign wars. It was the first American division to see combat and achieve victory in World War I and set the standard for discipline training endurance and tactical innovation. One of the few intact divisions between the wars it was the first army unit to train for amphibious warfare. During World War II the First Division spearheaded the invasions of North Africa and Sicily before leading the Normandy invasion at Omaha Beach and fighting on through the Hurtgen Forest the Battle of the Bulge the Ruhr Pocket and deep into Germany. By war's end it had developed successful combined arms regimental combat teams and made advances in night operations. Wheeler describes the First Division's critical role in postwar Germany and as the only combat division in Europe during the early Cold War. After returning to the United States at Fort Riley Kansas the division fought valiantly in Vietnam for five trying years successfully protecting Saigon from major infiltration along Highway 13 while pioneering air mobile operations. It led the liberation of Kuwait in Desert Storm and kept an uneasy peace in Bosnia and Kosovo. Along the way Wheeler illuminates the division's organizational evolution its consistently remarkable commanders and leaders and its equally remarkable soldiers. Meticulously detailed and engagingly written **The Big Red One** nimbly combines historical narrative with astute analysis of the unit's successes and failures so that its story reflects the larger chronicle of America's military experience over the past century. **Report on the Company's Proceedings and the Condition of the Territories Within the Sphere of Its Operations** British South Africa Company, 1889 *The Autocar*, 1959
