**Evolving from the Cocoon** Deon L. Candia, 2020-04-15 Welcome to Evolving from the Cocoon A Memoir of Learning from my Past In this book I offer accurate portions of my life that has assisted me in the transformation of becoming the best version of me possible Growing up I was always that quiet shy kid I never truly felt comfortable asking questions because I wanted everyone to like me To avoid conflict and confrontation I learned to keep to myself By doing so I often found myself depressed because I couldn't figure out why my life seemed to be so abnormal and unfulfilling Growing older that one word question kept finding a way to repeat itself in my head over and over WHY For years that question burned in my heart especially as I entered adulthood Then it happened The answer finally hit me Your pain may be someone else's gain I thought to myself WOW The things that troubled me in the past are to be shared with others My bad decisions and bloopers were indeed blessings All the mishaps and not so good experiences in my life were to serve as inspiration and encouragement to people like me I had to gain my voice so that eventually I could be a voice for others No longer limited by the cocoon I discovered I can fly high and gracefully like the butterfly
