can be referred as PROBLEMS while the KEY can be seen as your GIFT and TALENT which we all have God brought us to a world filled with PROBLEMS because there is something the earth need that is in us SOLUTIONS We are created to solve problems so if you re not solving a problem then you re one of the problems Ones greatness can only be measured up by the numbers of problem he or she solved We all are born with the KEY but how can we identify the right BOX We all are born with an ANSWER the problem is how can we get the QUESTION That s where purpose steps in without purpose you might live your entire life using the right key on the wrong lock Having the key without knowing the right lock is useless Also having the answer without knowing the question is utterly useless KEYS are not meant to open all DOORS but they are designated to open the RIGHT DOORS For a door to open the key must match with the lock Thus for you to excel in life your GIFT and TALENT must match with your PURPOSE and CALLING It is said Thomas Edison was afraid of the dark he invented the electric bulb To analyze this the Dark was his problem and the electric bulb he invented is the answer to his problem You must know this the world will benefit more from your gift much more than yourself That is why it is being called a gift What key are you born with And what box are you supposed to unlock The KEY is your GIFT the lock is your DESTINY Your gift is the only thing that can connect you to your destiny Remember this as long as you live the GIFT you carry is an answered prayer to the world problem make used of it Keys of Destiny Adin Kachisi,2008-04 Keys of Destiny is a remarkable tale of esoteric enigma and fascinating conspiracy The book is intricately woven with layers of masterful storytelling and ground breaking research From Mayan prophecies global conspiracies ancient tablets inter dimensional portals secret societies bloodthirsty nephilims gnomes indigo children martial arts experts aliens shamans ancient civilizations time travelers to earth changes ascension and the future of humanity all in one book Entire Islands whipped out by hurricanes cities devastated by earthquakes riots across the globe it s the beginning of the end of Civilization as we know it Straight from New York Kazra Moore travels to Europe Africa and Asia searching for ancient keys to save humanity from apocalyptic extinction Confronted by brutal secret societies and bloodthirsty fallen angels will he survive and find the Keys of Destiny or is humanity doomed Self-Discovery the Jungian Way (RLE: Jung) Michael Daniels,2014-07-11 Clearly and entertainingly written this book presents an exciting new technique of self analysis Based on the psychological theories of C G Jung the Watchword technique will enable you to identify your psychological type and to explore the structure and dynamics of your personality As you learn to recognize the various forces and tendencies within the psyche you will acquire greater understanding of your inner self and your personal relationships This practical method of self exploration guides you systematically along the difficult path towards the ultimate goal of self realization or individuation It uses a structured form of word association which you assess and interpret yourself following simple guidelines that require no numerical scoring Easy to understand and fun to use the book makes an intriguing and useful introductory guide to Jungian analytical psychology It will appeal to a wide range of readers including professional psychologists and students of psychology
