Starr, of the Desert B. M. Bower, 2022-06-10 Woman Hero Around 1900 Bower started to write about the wild west and she was one of a few women writers that wrote like a man and fooled most of her readers at the time But she knew what she was writing about and grew up in the west listened to all the tales and wrote with a passion about the life the men the women and the harsh conditions of the time Not afraid to write about the violent times she is one of the best western writers ever that this book is one of her finest books and boasts a great story that will be loved by men and women as a woman is the hero in Starr Amazon

Starr, of the Desert B M Bower, 2020-06-02 We are always exclaiming over the strange way in which events link themselves together in chains and when the chains bind us to a certain condition or environment we are in the habit of blandly declaring ourselves victims of the force of circumstances By that rule Peter found himself being swept into a certain channel of thought about which events began at once to link themselves into a chain which drew him perforce into a certain path that he must follow Or it may have been his peculiar single mindedness that forced him to follow the path however that may be circumstances made it easy If Helen May worried about her cough and her failing energy she did not mention the fact again but that was Helen May s way and Peter was not comforted by her apparent dismissal of the subject So far as he could see she was a great deal more inclined to worry over Vic who refused to stay in school when he could now and then earn a dollar or two acting in mob scenes for some photoplay company out in Hollywood He did not spend the money wisely Helen May declared that he was better off with empty pockets Ordinarily Peter would have taken Vic s rebellion seriously enough to put a stop to it He did half promise Helen May that he would notify all the directors he could get hold of not to employ Vic in any capacity even to chase him off the studio grounds as Helen May put it But he did not because chance threw him a bit of solid material on which to rebuild his air castle for Helen May

ahead and move to the land even though she did not really want to go but still his action was a bit of a shock Anyway she meets Starr whose real name is not at all cowboy ish or Western and does not realize that he is not just some desert drifter he is actually a Secret Service man working undercover as a stock buyer while he tries to find out as much as he can about a suspected plot of treason Yes it all sounds a little far fetched and it was but the story was still entertaining
