Do Them No Harm! Zoa L. Swayne,1990 Distributed by the University of Nebraska Press for Caxton Press In autumn 1805 a group of ragged strangers staggered into a camp of Nez Perce Indians on the Kooskooskee River in what is now northern Idaho The natives discussed killing the starving newcomers and taking the treasures they carried Instead they heeded an old woman who said Do them no harm marking the beginning of a unique friendship between the Nez Perce and the members of the Lewis and Clark Expedition

East,2022-04-25 Wind Walker has dreamed for seasons of a better place for his starving tribe Once proud Bison Hunters they must find another way to live in order to survive Driven north by drought they search for a place they can claim as their own A place where the woodland tribes will not try to enslave or kill them They reach the shores of Lake Superior where tales of monsters and evil spirits keep their enemies from settling the apparently barren and cold land They are the First Americans to claim this new land The Dream Weavers portrays the life and death struggle of these First Americans while weaving in an abundance of adventure and romance The novel takes you on a journey of discovery where Wind Walker's people learn not only to survive but thrive By canoe they travel along the edge of Lake Superior where they are the first to discover copper in the Great Lakes Region They experience the very edge of the continental glaciers north of Isle Royal where they see the last of the Wooly Mammoths grazing on the tundra The story is set at the beginning of the Archaic period more than 8000 years ago before copper was first discovered in the Great Lakes region The dependence on large animals is all but gone and the use of plants is becoming more important In this new land they discover an abundance of food friendly spirits to guide and protect them and most of all copper the wonderful metal that led to the later development of the Wisconsin Copper Culture The People struggle to understand the secrets held stubbornly in the raw metal Only Wind Walker seems able to make the valuable copper tools that give them an advantage over their enemies an advantage which they must work hard to keep

John Greenleaf Whittier John Greenleaf Whittier,1894 [An American Passion](#) Len Blanchard,2001-09 An historical narrative of epic scope An American Passion is a story of adventure political intrigue war and romance set on the Northern Plains during the last several decades of the Nineteenth Century While faithfully adhering to the sketchy and often contradictory historical record the epic offers a vivid imaginatively realized account of the life of the mysterious Crazy Horse legendary war chief of the Lakota Sioux A man who typically let his actions do his speaking for him and who died young assassinated at the hands of the U S Government in his mid thirties Crazy Horse s story is related by five different narrators An American Passion opens with a prologue spoken by the Missouri River the mighty river of the Great Plains With the historical context established Crazy Horse s life from his birth to his death little more than a year following his great victory over George Armstrong Custer at the Little Big Horn is related retrospectively by his grieving father Worm a notable medicine man of the tribe The next major section of the epic is narrated by the woman for whom Crazy Horse risked his life and the welfare of his people Black Buffalo Woman s tale is a tragedy in the vein of Romeo and Juliet s Unlike the story of Shakespeare s fallen lovers however the love story of Crazy Horse and Black Buffalo Woman has never been related in its full gripping complexity as it is in An American Passion Amazingly after his nearly fatal attempt to take Black Buffalo Woman as his wife Crazy Horse went on to marry and the third major narration of An American Passion is that of Black Shawl his fiercely loyal and devoted widow and the mother of his only known child Telling her story at about the time Sitting Bull was returning to the reservation after having been released from prison by the U S Government a bitter but not a hopeless woman Black Shawl focuses on the early death of her daughter by Crazy Horse and on her final days in captivity with Crazy Horse The epic concludes with the account of He Dog a loyal friend of Crazy Horse having fought beside him throughout his days as the greatest warrior among the Sioux He Dog lived to be nearly a hundred years old and served as a respected judge in the Indian courts on the reservation Told from the vantage point of 1910 some 33 years after the killing of Crazy Horse He Dog s narration is largely a tribute to his friend a consideration of the differences in character and temperament between himself and Crazy Horse and an elegy to what might have been and perhaps may some day yet be In the depth and breadth of its portrayal of major figures in Crazy Horse s life who are little more than footnotes in the historical record and in the insight it offers into the heart and mind of a great and complicated man a man who lived and died ultimately as an enigma even to the people who revered and revere him An American Passion is a unique emotionally engaging account of the final days of the resistance of the Native Americans of the Northern Plains to that juggernaut of forces which having achieved its objective destroyed a culture though not a people [Far Out in Outer Space](#) Merry Lenz,2014-04-02 Fifth grade students researched four planets and wrote articles about each one They utilized googledocs to create footnotes and a bibliography Knowing they were writing for a real audience made this project super exciting We hope that you appreciate the effort put
