The Comeback Year:

Scandal Brandon Rottinghaus, 2025-11-25 Once it was thought a scandal was the kiss of death for a political career Today however surviving scandal seems to be the norm Donald Trump has weathered and even perhaps benefited from controversies that would have been unimaginable for virtually any other candidate Prominent figures in both parties have won elections and remained in office despite credible allegations of wrongdoing Do scandals still matter When and why do voters punish politicians or give them a free pass Charting the changes from Watergate to the present this book is a rigorous and compelling investigation of the politics of scandals Bringing together wide ranging survey data innovative experiment design and historical analysis Brandon Rottinghaus demonstrates how political polarization affective partisanship fading trust in media and the spread of misinformation have diminished the resonance of controversies Although scandals still fell many politicians there is a clear trend over time for fewer voters to be swayed by them In a polarized world scandals take only a modest toll on politicians approval ratings survival in office ambitions and legacies In many cases partisans accept or even embrace misbehavior from members of their own party and revel in scandals affecting the opposing party Challenging conventional wisdom with extensive data this book illuminates the declining significance of scandals and the consequences for democratic accountability

Performance and Popular Music Ian Inglis, 2017-07-05 Since the emergence of rock n roll in the early 1950s there have been a number of live musical performances that were not only memorable in themselves but became hugely influential in the way they shaped the subsequent trajectory and development of popular music Each in its own way introduced new styles confronted existing practices shifted accepted definitions and provided templates for others to follow Performance and Popular Music explores these processes by focusing on some of the specific occasions when such transformations occurred An international array of scholars reveal that it is through the often disruptive dynamics of performance and the interaction between performer and audience that patterns of musical change and innovation can best be recognised Through multi disciplinary analyses which consider the history place and time of each event the performances are located within their social and professional contexts and their immediate and long term musical consequences considered From the Beatles and Bob Dylan to Michael Jackson and Madonna from Woodstock and Monterey to Altamont and Live Aid this book provides an indispensable assessment of the importance of live performance in the practice of popular music and an essential guide to some of the key moments in its history

Weekly Compilation of Presidential Documents , 1989

Metronome , 1958 *Boston Red Sox Firsts* Bill Nowlin, William Nowlin, 2023-06-01 In the 111 year history of the Boston Red Sox fans have been treated to countless firsts the first manager of the franchise Jimmy Collins the first American League MVP to play for the Sox Tris Speaker the first 20 game winner Bill Dineen the first to hit 500 home runs Ted Williams and the first Red Sox pitcher to win the Cy Young Award Roger Clemens The list goes on In Boston Red Sox Firsts veteran Red Sox historian Bill Nowlin presents the stories behind the firsts in Red Sox history in question and answer format More
