## **A Falling Star:**

**Once Upon a Falling Star** Betty Junkin Guest,2012-01-23 The year is 1935 Bettina just turned six is spending her summer vacation with Granny and Dada her grandmother and grandfather in Kalenda a small North Texas town In addition to her grandparents the household includes Franky their cook housekeeper laundress whose husband Professor principal of the K 12 Negro school drives Franky to work and spends time at the kitchen table with Dada discussing world events and Rufus the gardener handyman chauffeur Frequent visitors are Nanny Granny s crippled younger sister and her husband Harry who drive into town from their small farm in an old Pierce Arrow which only Nanny can drive and only in second gear and Uncle Granny s younger brother who lives alone near the railroad tracks with his two hunting dogs Among the colorful townsfolk are Dolly wife of Jolly who has no children but has a wondrous doll collection for all the town s children to enjoy Scrap the trash man who drives a mule drawn cart to pick up castoffs which he turns into treasures Miss Annie the widow of a sea captain who wears trousers smokes an occasional cigar and drives a bright yellow roadster and Woodrow confused but harmless who thinks he is the President of the United States But through all the delights of a carefree almost magical

summer is woven the shadow of eight year old Billy Jack the mostly unsupervised son of a mother long gone and a father who works in the oil fields Billy Jack has told Bettina that Mrs Crone a strange neighbor who dresses all in black is a witch Bettina is afraid of Mrs Crone as well as of the frowning life size angel with its sword unsheathed which Mrs Crone erected at the entrance of Townview Cemetery    [Catch a Falling Star](#) John Brunner,2011-09-29 A hundred thousand years from now it was discovered that a star was approaching the world on a collision course Its discoverer Creohan figured there might be time to save the world if he could arouse everyone to the danger But the Earth had become a strange and kaleidoscopic place in that distant era Too many empires had risen and fallen too many cultures had spread their shattered fragments across a planet whose very maps had long since been forgotten People were too busy with their own private dreams to pay attention to one more new alarm The story Creohan s effort to Catch a Falling Star is one of John Brunner s most colourful science fiction concepts    [Catch a Falling Star](#) Meg McKinlay,2019-03-01 This coming of age story by multiple award winner Meg McKinlay is about loss and grief dealing with change and fighting to hold on to what you can while letting go of what you can t It s 1979 and the sky is falling Skylab that is Somewhere high above Frankie Avery one of the world s first space stations is tumbling to Earth And rushing back with it are old memories Things twelve year old Frankie thought she d forgotten Things her mum won t talk about and which her little brother Newt never knew Only did he Does he Because as Skylab circles closer

Newt starts acting strangely And while the world watches the sky Frankie keeps her own eyes on Newt Because if anyone s going to keep him safe it s her It always has been But maybe this is something bigger than splinters and spiders and sleepwalking Maybe a space station isn t the only thing heading straight for calamity    **Popular Beliefs and Superstitions from North Carolina** Wayland D.
