

Tham Khwan

**Tomomi Ito**

## **Tham Khwan:**

*Tham Khwan* Ruth-Inge Heinze, 1982      *Divination and Healing* Michael Winkelman, Philip M. Peek, 2022-08-23

Divination is an important feature of cultures all over the world. While some may still question the efficacy of divination systems, they continue to serve their communities by diagnosing ailments, prescribing healing treatments, and solving problems. Yet despite their universality, there are relatively few comprehensive studies of divination systems. This volume seeks to fill this gap regarding the use of divination in healing. Here some of the world's leading authorities draw on their own fieldwork and participation in ritual to present detailed case studies demonstrating that divination rituals can have therapeutic effects. As the contributors examine the systems of knowledge that divination articulates and survey the varieties of divinatory experience, they seek to analyze divination as an epistemological system as a social process and as a therapeutic endeavor. While some of their findings reinforce traditional assumptions about the importance of social control, spirit relations, and community support in the divination process, the authors place these considerations within new epistemological frameworks that emphasize the use of alternative modes of knowing. In this wide ranging volume, readers will find coverage of classic Ifa systems, Buddhist influenced shamanic practices in the former Soviet Union, the reconciliation of Muslim beliefs and divinatory practices in Thailand, Native American divination used in diagnosis, Maya calendrical divination in Guatemala, mediumistic and chicken oracle divination among the Sukuma of Tanzania, Ndembu divination focusing on the process of collective healing, and divination among the Samburu Maasai of Kenya featuring dialogues from actual healing sessions. Together these contributions argue for new perspectives on the study of divination that emphasize not only the epistemological roots of these systems but also their multifaceted therapeutic functions. Divination and Healing is a rich source of both data and insight for scholars of ritual religion, medical anthropology, and the psychology of altered states of consciousness.

*The 'Soul' of the Tai re-examined.* Barend Jan Terwiel, 2023-09-28

Khwan is certainly one of the most enigmatic concepts one encounters in the study of the Tai speaking world. Variously rendered as soul, vital principle, or life essence, the concept eludes unambiguous translations as Western ontologies and the languages that reproduce them simply lack an analogous signifier. While a lot has been written on khwan, it seems that little progress was made in understanding their place in Tai conceptualisations of personhood and sociality. One reason for this may be that authors addressing khwan in their scholarship are frequently referring to the same seminal publications while ignoring others. This fostered a quasi canonical understanding of what khwan are that is rarely critically scrutinised. With this edited volume, we seek not only to honour Barend Jan Baas Terwiel but also to problematise this conventional understanding of what khwan are. In the field of Tai Studies, Baas' name stands out as a beacon of knowledge and understanding, illuminating the rich tapestry of Thailand's history, culture, and society. Through meticulous scholarship and a profound love for the subject, Baas has left an indelible mark on the field, enriching our understanding of Thailand in ways that go beyond the surface. Join us on a journey through

texts Baas has written over 50 years in order to explore what khwan are and how Tai speakers all over the Tai speaking world interact with them in order to strengthen their well being and maintain personhood Our goal with this volume is to make Baas scholarship on khwan more easily available and thus to celebrate his remarkable contributions to the world of Tai Studies Therefore we have edited commented and streamlined his original and sometimes hard to find texts and ordered them in a way that allows readers to better understand khwan as well as their similarities and differences all over the Tai speaking world     *Tham Khwan* Ruth-Inge Heinze,1982     **Ethnography and Law** Eve Darian-Smith,2017-11-30

Ethnographies of law are historically associated with anthropology and the study of far away places and people In contrast this volume underscores the importance of ethnographic research in analyzing law in all societies particularly complex developed nations By exploring recent ethnographic research by socio legal scholars across a range of disciplines the volume highlights how an ethnographic approach helps in appreciating the realities of legal pluralism the subtle contradictions in any legal system and how legal meaning is constantly reproduced on the ground through the cultural frames and practices of peoples everyday lives     Thailand Alexandra R. Kapur-Fic,1998 The Book Develops Two Major Themes The First Theme

Attempts To Understand The Sources Of Value Orientation Of The Thai People And Their Individual And Group Behaviour To This End The Study Examines Three Major Value Systems And Their Institutions As Well As Their Mutual Relationship And Interaction As The First Value System The Study Examines The Theravada Buddhism As Founded By The Buddha Then Focuses On Its Application In Thailand On Buddhist Ethics And Morality On The Conflicts Between Some Aspects Of Buddhism And The Rapidly Changing Society And Finally On Various Movements Attempting To Reform Buddhism In That Country As The Second Major Value System The Study Examines The Role Which Animism And The Spirit Worship Play In The Daily Life Of The Thai People Their Symbolism And Their Fusion With Buddhism And Its Values And Institutions At The Grassroot Level Of The Society As The Third Value System The Study Discusses Various Theories Which Attempt To Explain The Psycho Cultural Values And Attitudes Of The Thai People How These Interact With Buddhism And Animism And How They Add Another Dimension To The Already Complex Pattern Of Social Behaviour These Three Value Systems Interact And Define The Parameters Within Which All Aspects Of The National Life Political Cultural Economic And Others Are Actualized The Second Major Theme Of The Book Concentrates On The Position Of Women In Thailand It Begins With The Explanation Of The Attitudes Which The Buddha Himself Held Towards The Women Examines The Status Of Women In Early Buddhist Societies And Of Those Women Who Chose To Renounce The World And Join The Buddhist Order To Seek Personal Salvation As Well As The Role Of The Lay Women In A Buddhist Society At That Time The Book Then Focuses On The Position Of Women In The Thai Society Through Various Stages Of Its History And Culminates In The Discussion Of The Legal Position Of Women Today And The Attempts To Improve Their Status However In Treating The Latter Subject The Study Is Descriptive Rather Than Prescriptive Leaving It To The Thai Women Themselves To Decide Which Remedies To Pursue To

Improve Their Position *Tham khwan nāk bāp khrū læ khwan tāngtāng*, 1948 **Some Traditions of the Thai and Other Translations of Phya Anuman Rajadhon's Articles on Thai Customs** Anuman Rajadhon (Phrayā), 1987 ไทย  
, 1976 The Khwan: a Test Case for the Syncretic Pattern of Thai Buddhism Ruth-Inge Heinze, 1971 ไทย  
‘Udom Nūthōng, 1981 Collection chiefly of traditional verses and incantations used in animistic  
rituals of southern Thailand **Culture in History** Stanley Diamond, 1981 Education about Asia, 2004 **Tai Culture**  
, 2005 Northern Thai Peasant Society Andrew Turton, 1981 **Thailand's Political History** B. J. Terwiel, 2005 Thailand  
s Political History discusses developments in the Siamese state during the past two and a half centuries The fall of the old  
capital Ayutthaya provides the opening scene while the book ends with the massive investments in a modern infrastructure  
and the concomitant economic expansion at the close of the 20th century Among the topics discussed are taxation foreign  
trade and Chinese immigration Three periods of crisis are dealt with in some detail the confrontation with France in 1893 the  
military coup of 1932 and its aftermath and Thailand s role during World War II The author draws mainly upon contemporary  
sources some of them hitherto overlooked which lead him to bring forward fresh insights into Thailand s history during the  
past 250 years **BOOK JACKET** *Modern Thai Buddhism and Buddhadāsa Bhikkhu* Tomomi Ito, 2012 The Buddhist monk  
Buddhadasa Bhikkhu 1906 1993 injected fresh life into Thai Buddhism by exploring and teaching little known transcendent  
aspects of the religion His investigations excited both monks and lay people and gave rise to the vigorous discussion in  
shops temple yards and newly founded Buddhist associations Moreover he was a prolific author who produced a rich array of  
publications that are indicative of his popularity and the impact of his teachings While these discussions included serious  
exchanges on doctrine and practice they also included jokes and light humor criticisms of weak evidence for certain positions  
and a defamation campaign arising from rumors that Buddhadasa was a communist sympathizer Buddhadasa s thoughts and  
historical context coincide with the general picture of modern Buddhism and he may be seen as an agent of Buddhist  
modernity but he worked predominantly in Thailand through the medium of the Thai language and he contributed much more  
significantly to Thai Buddhists than to Buddhist practice outside the country An enormous amount of material relating to  
Buddhadasa Bhikkhu has been captured in religious journals and in numerous pocket books aimed at a general audience  
Departing from the classical method of studying Buddhism through philology Tomomi Ito s account of Buddhadasa Bhikkhu  
draws on this popular literature and on conversations with a broad spectrum of the people involved in these discussions to  
develop an account of Buddhism as it is experienced by Thai people The result is a lively intellectual and social history of  
contemporary Thai religion and society built around the life of an exceptional monk who captured the interest of Buddhists  
pursuing spiritual depth in the context of the ideological conflicts of the Cold War **The South East Asian Review**, 1988  
A Structural Analysis of Thai Economic History Takashi Tomosugi, 1980 **The Journal of the Siam Society** Siam  
Society, 1983
