# Thank You Saint Jude

**Antoinette Ancona, Toni Ancona**

## **Thank You Saint Jude:**

Thank You, St. Jude Robert A. Orsi, 1996-01-01 St Jude patron saint of hopeless causes is the most popular saint of the American Catholic laity particularly among women This fascinating book describes how the cult of St Jude originated in 1929 traces the rise in Jude s popularity over the next decades and investigates the circumstances that led so many Catholic women to feel hopeless and to turn to St Jude for help Robert A Orsi tells us that the women who were drawn to St Jude daughters and granddaughters of immigrants from southern and eastern Europe and Ireland were the first generations of Catholic women to make lives for themselves outside of their ethnic enclaves Orsi explores the ambitions and dilemmas of these women as they dealt with the pressures of the Depression and the Second World War made modern marriages for themselves entered the workplace took care of relatives in their old neighborhoods and raised children in circumstances very different from those of their mothers and grandmothers Drawing on testimonies written in the periodicals devoted to St Jude and on interviews with women who felt their lives were changed by St Jude s intervention Orsi shows how devotion to St Jude enabled these women to negotiate their way amid the conflicting expectations of their two cultures American and Catholic

**A Layman's Guide to Religion** V. P. Canton, 2001-12 A Layman s Guide to Religion is a provocative factual often humorous personal study of evolution and religion The author is unsparing in his contempt for all religions and cults and for the hypocritical rascals the pied pipers who sidetrack their innocent victims robbing many of them of their most productive years The author finds those who claim to speak for God while defrauding the elderly of their life s savings especially loathsome One scholar who prefers anonymity remarked after reading the manuscript that when published this one thin volume would contain more common sense than the hundred of thousand dusty works by so called theologians over the past several millennia The comment was most gratifying as the author would rather have the admiration of one intelligent person whom the author highly regards than the admiration and even reverence of a billion fools Bold blunt and unflinching this thin volume cuts through millenia of B S The author s purpose is not offend one religion but to denigrate all of them and hopefully replace religion with reason and common sense Targeting historical unpleasant facts in an engaging and humorous manner and the role of evolution the author shows where religion has today become a compost of hypocrisy and pretense and the root cause of all evil Plainly this volume contains All You Ever Wanted To Know About Religion Before You Put The Subject To Rest And Get On With Your Life *Sharing God's Good Company* David Matzko McCarthy, 2012-06-19 Explores the role and significance of the saints in Christians lives today While examining the lives of specific saints like Martin de Porres Therese de Lisieux and Mother Teresa McCarthy especially focuses on such topics as the veneration of martyrs realism and hagiography science and miracles images and pilgrimage and why the saints continue to captivate Christians and inspire devotion Hearing on H.R. 2098 and H.R. 2989 United States. Congress. House. Committee on Resources. Subcommittee on National Parks and Public Lands, 1998 The belfry of St. Jude, by Esmè Stuart Amélie Claire Leroy, 1880 **St. Jude**
