## **That Eternal Summer Unknown Stories Battle Of Britain:**

**That Eternal Summer** Ralph Barker,1991-01      The Squadron That Died Twice - The story of No. 82 Squadron RAF, which in 1940 lost 23 out of 24 aircraft in two bombing raids Gordon Thorburn,2015-07-02 Apart from the quiet chatter of a few mechanics who were checking that one aircraft was too badly damaged ever to fly again there was a shocked silence over the aerodrome as everyone there tried to understand the impossible Twelve twin engined bombers of 82 Squadron RAF had set out on a fine May morning in 1940 from Watton Norfolk in a brave but hopeless attempt to slow down the German armour ripping through Belgium Sergeant Thomas Jock Morrison was the pilot of the only one to come home Heavy losses in Bomber Command in the Second World War were common normal came with the territory but this Eleven out of twelve were shot down by flak and fighters and lay in burning fragments along the Belgium France border It is said that history repeats itself And so it was almost exactly three months later on a cloudy day in August 1940 that twelve more twin engined Bristol Blenheim bombers each with a crew of three men set off from Watton Norfolk in a brave but hopeless attempt to destroy a Luftwaffe base in enemy occupied Denmark One aircraft had to turn for home before it reached the target The other eleven pressed on as the clouds disappeared and on a fine sunny morning were all shot down by flak and fighters and lay in burning fragments on the shores of the Lymfjord At the time when the whole world was trying to understand the impossible how Germany could conquer Denmark Norway The Netherlands Belgium and France in a few weeks and Poland before that and surely Great Britain next 82 Squadron s disasters were barely noticed Based on the accounts of survivors and on squadron and other records Gordon Thorburn s moving retelling of the story of the events of it and the men in it at last puts right that terrible omission      Aerospace ,1991      **The British National Bibliography** Arthur James Wells,2009      **That Eternal Summer** Ralph Barker,2019-01-15 It must be the finest English summer for years In the balmy summer of 1940 the most critical battle of the Second World War was fought out over the fields and towns of southern England In this book Ralph Barker unearths twelve little known but unforgettable stories of men whose names may be unfamiliar but without whose selfless tenacity Britain would not have survived The restoration of squadron morale after the debacle in France the misunderstanding of the RAF s role at Dunkirk the harnessing of the ace mentality to the attritional contest all these are recounted together with the inside story related here for the first time The award of Fighter Command s only VC of the mad Irishman who knocked down his adversary with his wing tip in mid air of the fight to the death over Hyde Park Corner which stopped London s traffic and of the poignant tragedy of the nineteen year olds who sold their lives dearly when thrown in at crisis point with scant preparation to plug ever widening gaps The bomber crews too are not forgotten their losses being even greater than those of the fighter pilots nor are those left behind to mourn like Bunny Lawrence who loved two brothers and was equally loved in return only to lose them both within twenty four hours at the climax of the Battle In this unusual and moving book Ralph Barker has written a worthy and exhilarating tribute to the indomitable Few About the author Ralph
