**Dead in the Water** Donna Collins, 2020-02-18 Jason Wade is an East End boxer turned Police Crime Scene Investigator He likes his job has a good circle of friends and is never short of female admirers But although on the outside his life looks an

enviable one behind closed doors he has more than one secret hidden away When a female body is dragged from the Thames the skeletons from Jason's past quickly begin to resurface and his near perfect life slowly begins to spiral out of control But when a second victim is pulled from the Thames with amnesia Jason questions if the two accidents are related to each other With none of his colleagues believing there is a link between the two incidences and ordered to stay away from the case by his boss will investigating these seemingly unrelated cases lead Jason to his own downfall and how many of his friends will he take with him Through Deception Elvis Ali Bautista,2019-04-22

Through Deception focuses on two main characters that are battling against a war of their own There's Isaac someone who leads a group of survivors who are either on the run from those called the Rebellion or fighting against them to save their own lives Then there's Izoah a god whom we know very little of as we see throughout the story that we never see this god's true intentions Is he one of evil or one of good **The Good**
