Mussolini's National Project in Argentina David Aliano, 2012-08-31 During the 1920s and 1930s Mussolini's fascist regime attempted to promote fascist Italy's national project in Argentina bombarding the republic with its propaganda Although politically a failure this propaganda provoked a debate over the idea of a national identity outside the nation state and the potential roles that citizens living abroad could play in their country of origin In propagating an Italian national identity within another sovereign state Mussolini's initiative also inspired heated debate among native Argentines over their own national project as a nation of immigrants Using the experiences of Mussolini's efforts in Argentina as its case study this book demonstrates how national projects take on different meanings once they enter a contested public space It details how both members of the Italian community as well as native Argentines reshaped Italy's national discourse from abroad by entangling it with Argentina's own national project In exploring the way in which nations are imagined constructed and recast both from above as well as from below Mussolini's

National Project in Argentina offers new perspectives on the politics of identity formation while providing a transatlantic example of the dynamic interplay between the Italian state and its emigrant communities It is in short a transnational perspective on what it means to belong to a nation *One Italian Summer* Pip Williams,2017-04 Pip and Shannon dreamed of living the good life They wanted to slow down grow their own food and spend more time with the people they love But jobs and responsibilities got in the way their chooks died their fruit rotted and Pip ended up depressed and in therapy So they did the only reasonable thing they quit their jobs pulled the children out of school and went searching for la dolce vita in Italy One Italian Summer is a warm funny and poignant story of a family s search for a better way of living in the homes and on the farms of strangers Pip sleeps in a tool shed feasts under a Tuscan sun works like a tractor in Calabria and eventually finds the good life she s always dreamed of though not at all where she expected *Italy* Karl Baedeker (Firm),1887
