*That Various Field* Miles Ladin,James Schuyler,2003      [That Various Field for James Schuyler \(1923-1991\)](#) William Corbett,Geoffrey Young,1991 Five hundred copies printed on the occasion of two memorial readings for the poet Colophon

**The New American Poetry, 1945-1960** Donald Allen,1999 Donald Allen's prophetic anthology had an electrifying effect on two generations at least of American poets and readers More than the repetition of familiar names and ideas that most anthologies seem to be about here was the declaration of a collective intelligent and thoroughly visionary work in progress the primary example for its time of the anthology as manifesto Its republication today complete with poems statements on poetics and autobiographical projections provides us again with a model of how a contemporary anthology can and should be shaped In these essentials it remains as fresh and useful a guide as it was in 1960 Jerome Rothenberg editor of Poems for the Millennium The New American Poetry is a crucial cultural document central to defining the poetics and the broader cultural dynamics of a particular historical moment Alan Golding author of From Outlaw to Classic Canons in American Poetry    [My Poetics](#) Maureen N. McLane,2024-05-08 Acclaimed poet and critic Maureen N McLane offers an experimental work of criticism ranging across Romantic and contemporary poetry In My Poetics Maureen N McLane writes as a poet critic theorist and scholar but above all as an impassioned reader Written in an innovative conversable style McLane's essays illuminate her own poetics and suggest more generally all that poetics can encompass Ranging widely from romantic era odes and hymns to anonymous ballads to haikus and haibuns to modernist and contemporary poetries in English My Poetics explores poems as speculative instruments and as ways of registering our very sense of being alive McLane pursues a number of open questions How do poems generate modes for thinking How does rhyme help us measure out thought What is the relation of poetry to its surroundings and how do specific poems activate that relation If as Wallace Stevens wrote poetry is the scholar's art My Poetics flies under a slightly different banner study and criticism are also the poet's art Punctuated with McLane's poems and drawing variously on Hannah Arendt Percy Bysshe Shelley Roland Barthes Bruno Latour and other writers and poets My Poetics is a formally as well as intellectually adventurous work Its artful arrangement of readings and divagations shows us a way to be with poems and poetics    *The New York School Poets and the Neo-Avant-Garde* Dr Mark Silverberg,2013-04-28 New York City was the site of a remarkable cultural and artistic renaissance during the 1950s and 60s In the first monograph to treat all five major poets of the New York School John Ashbery Barbara Guest Kenneth Koch Frank O Hara and James Schuyler Mark Silverberg examines this rich period of cross fertilization between the arts Silverberg uses the term neo avant garde to describe New York School Poetry Pop Art Conceptual Art Happenings and other movements intended to revive and revise the achievements of the historical avant garde while remaining keenly aware of the new problems facing avant gardists in the age of late capitalism Silverberg highlights the family resemblances among the New York School poets identifying the aesthetic concerns and ideological

assumptions they shared with one another and with artists from the visual and performing arts A unique feature of the book is Silverberg's annotated catalogue of collaborative works by the five poets and other artists To comprehend the coherence of the New York School Silverberg demonstrates one must understand their shared commitment to a reconceptualized idea of the avant garde specific to the United States in the 1950s and 60s when the adversary culture of the Beats was being appropriated and repackaged as popular culture Silverberg's detailed analysis of the strategies the New York School poets used to confront the problem of appropriation tells us much about the politics of taste and gender during the period and suggests new ways of understanding succeeding generations of artists and poets

*Attention Equals Life* Andrew Epstein, 2016 Poetry has long been thought of as a genre devoted to grand subjects timeless themes and sublime beauty Why then have

contemporary poets turned with such intensity to documenting and capturing the everyday and mundane Drawing on insights about the nature of everyday life from philosophy history and critical theory Andrew Epstein traces the modern history of this preoccupation and considers why it is so much with us today *Attention Equals Life* argues that a potent hunger for everyday life explodes in the post 1945 period as a reaction to the rapid unsettling transformations of this epoch which have resulted in a culture of perilous distraction Epstein demonstrates that poetry is an important and perhaps unlikely cultural form that has mounted a response and even a mode of resistance to a culture suffering from an acute crisis of attention In this timely and engaging study Epstein examines why a compulsion to represent the everyday becomes

predominant in the decades after modernism and why it has so often sparked genre bending formal experimentation With chapters devoted to illuminating readings of a diverse group of writers including poets associated with influential movements like the New York School language poetry and conceptual writing the book considers the variety of forms contemporary poetry of everyday life has taken and analyzes how gender race and political forces all profoundly inflect the experience and the representation of the quotidian By exploring the rise of experimental realism as a poetic mode and the turn to rule governed everyday life projects *Attention Equals Life* offers a new way of understanding a vital strain at the heart of twentieth and twenty first century literature It not only charts the evolution of a significant concept in cultural theory and poetry but also reminds readers that the quest to pay attention to the everyday within today's frenetic world of and social media is an urgent and unending task

**No Other Way** Charles North, 1998 Nonfiction What distinguishes these essays and reviews is Charles North's generosity of spirit and an intelligence that never outsmarts its subject but is there to serve it and the reader You finish one of North's lucid essays and you want to read the poems or look at the pictures for

yourself This is criticism by a writer unafraid of his own enthusiasms who writes as if taking part in an ongoing conversation After this book when you next read the poems of James Schuyler or look at the work of Richard Tuttle Charles North will be by your side This is a wonderful book William Corbett      **Directory of American Poetry Books** ,1993      *Genre* ,2000
