Thats My Opinion

Sebastian Brünink

Thats My Opinion:

That's My Opinion, Period! Christopher Greco, 2011-08-11 The book *That's My Opinion Period* was created in the beginning of 2011 when author Christopher Greco started writing about everyday values that he thought the American people were missing out on. I wanted to voice my opinions about what I believe life's greatest values are. Before I knew it I had the makings of a book so I continued and turned my opinions into a book. In the book Christopher talks about some of today's most talked about topics in America. I wanted to touch base with the people of America and share with the world a fresh perspective on topics such as politics, religion, addictions, and many more. Christopher is a local New Yorker who graduated out of the public school system, traveled the country, and has met some very interesting people along the way. He was simply looking for one goal in life: To make a positive difference in the world. I wanted to do something that made a positive difference in the lives of others. Before I was doing things in life that only benefited myself. After some life-changing experiences, I changed my outlook on life and as a result have found a new calling: To make a positive difference in the lives of others.
