Cleveland Brooke!,2010-12 I was almost as hard headed as it gets while repeatedly insisting on missing and ignoring the entire point that Mom and a few others tried to get me to realize GET YOUR EDUCATION I still had some great times here and there every now and then and I can only imagine how beautiful my life would have been if I would have followed the The Golden Rules Some wonderful things have happened to me even though I still feel that I truly did not deserve or even know how to sincerely enjoy thoroughly but on the other hand some not so wonderful things have happened to me that I basically brought on myself as a direct result of not following The Golden Rules EDUCATION IS A MUST I know my family was not the only family that has gone through a divorce and I know there are millions of kids who went through divorce without a scratch I am not blaming any of my failures as a man on the pitfalls of divorce but I can clearly see now that my character flaws were a direct hit stemming from the casualties of my parents divorce I did not ask to be me and I certainly did not ask or expect to be stuck on stupid for almost three tenths of a century It was what it was If I would have known their divorce would eventually effect me which I believe set the wheels in motion that turned towards me turning out the way I have I would have started Praying that night But I had no idea it would and neither did they I can only imagine how beautiful my life would have been if their marriage was meant to be but it was not about me Brooke **Dad Jokes Book** Rudy Treadwell,2021-04-02

Trying to determine what makes a good or bad dad joke is not so easy but there are some certain ingredients that we can name First of all the one liner has to be administered by a dad not necessarily your own it has to be both corny and somewhat amusing and most of all it just has to have a hackneyed pun to make it the best joke ever Although not everyone is a big fan of that type of comedy gold there is a certain amount of appreciation any person can have for a well timed funny pun Especially if it s followed by thunderous laughter from the person and the classic finger guns pose If you re a dad joke aficionado like we are you might be surprised to know where these inappropriate jokes stem from So the first theory is because your beloved father just feels nostalgic to those times when you were little and laughed at just about anything The other approach for these hilarious jokes is a much more anticipated one your father wants to embarrass you as much as he can while he can And that s precisely what these funny jokes are meant to do Read this book to see some of the best funny
