Soul, Self, and Society Edward L. Rubin, 2015-02-17 Political and social commentators regularly bemoan the decline of morality in the modern world They claim that the norms and values that held society together in the past are rapidly eroding to be replaced by permissiveness and empty hedonism But as Edward Rubin demonstrates in this powerful account of moral transformations these prophets of doom are missing the point Morality is not diminishing instead a new morality centered on an ethos of human self fulfillment is arising to replace the old one As Rubin explains changes in morality have gone hand in hand with changes in the prevailing mode of governance throughout the course of Western history During the Early Middle Ages a moral system based on honor gradually developed In a dangerous world where state power was declining people relied on bonds of personal loyalty that were secured by generosity to their followers and violence against their enemies That moral order exemplified in the early feudal system and in sagas like *The Song of Roland* *The Song of the Cid* and the Arthurian legends has faded but its remnants exist today in criminal organizations like the Mafia and in the rap music of the urban ghettos When state power began to revive in the High Middle Ages through the efforts of the European monarchies and Christianity became more institutionally effective and more spiritually intense a new morality emerged Described by Rubin as the morality of higher purposes it demanded that people devote their personal efforts to achieving salvation and their social efforts to serving the emerging nation states It insisted on social hierarchy confined women to subordinate roles restricted sex to procreation centered child rearing on moral inculcation and countenanced slavery and the marriage of pre teenage girls to older men Our modern era which began in the late 18th century has seen the gradual erosion of this morality of higher purposes and the rise of a new morality of self fulfillment one that encourages individuals to pursue the most meaningful and rewarding life path Far from being permissive or a moral abdication it demands that people respect each other's choices that sex be mutually enjoyable that public positions be allocated according to merit and that society provide all its members with their minimum needs so that they have the opportunity to fulfill themselves Where people once served the state the state now functions to serve the people The clash between this ascending morality and the declining morality of higher purposes is the primary driver of contemporary political and cultural conflict A sweeping big idea book in the vein of Francis Fukuyama's *The End of History* Charles Taylor's *The Secular Age* and Richard Sennett's *The Fall of Public Man* Edward Rubin's new volume promises to reshape our understanding of morality its relationship to

government and its role in shaping the emerging world of High Modernity *Books in Print* ,1991 **2002 Baseball Card Price Guide** Sports Colls Digest,Sports Collectors Digest,2002-03 The price guide editors of Sports Collectors Digest present the most thorough and accurate baseball card price guide covering all regular issues from 1981 to 2002 Coverage includes more than 200 000 baseball cards and inserts from each set listed as well as assorted memorabilia including autographs game used jerseys bat inserts and much more Includes wax box and pack pricing for each product too Prices are given in US dollars The respected price guide editors of Sports Collectors Digest utilize actual card transactions from SCD s dealer network and online auction results to accurately price each card Sports Collectors Digest editors track a large network of sports collectibles dealers and auction sales They report their findings recent trends and hobby news in 52 weekly issues annually SCD is the very best source for cards memorabilia and autographs in the world Each issue includes a weekly show calendar thousands of ads from the best dealers in the country recent auction reports checklists on new and old card sets plus interviews with the sports stars of yesterday **American Bookseller** ,1988 **Notable Corporate Chronologies** ,2001
