## **The 6th Man:**

Cheering for Self James S. Vass Jr, James Vass Jr, 2003-05-13 This book is a study of UW men's basketball fans during the 2001-2002 season and explores their proclivity to cheering for self during basketball events. The term basketball event is used rather than basketball game to make clear that everything connected to and seen, heard or experienced before, during and after a basketball game is included. The actual game itself is only part of the basketball event. An undercurrent runs throughout this participant observation mini ethnography dealing with access and the relative quality of that access to basketball events being affected by one's age, class, race and gender. The prominent role of advertising in shaping basketball events and helping to construct fans as consumers of products both commercial and institutional during the process of cheering for self is central to this idea. Cheering for self is the activity engaged in by individual fans after they find things to identify or connect with through personal investment. Fans cheer for self indirectly. Fans cheer for the team that they identify with. Through the process of cheering for self while attending the basketball event, people are taught how to become fans, to consume a UW product, the basketball event and to consume advertisers' products. People have a tendency to spend their entire life trying to impress others. *The Diarian Repository; Or, Mathematical Register*, 1774 *The Four Dominions* George N. Holman, 2011-08-16 God had me to write this first volume of *The Four Dominions* to show forth things that occurred in the King James Authorized Version of the Holy Bible and things that the Lord said would occur on Earth and in Heaven. These are recorded in encyclopedias and historical books as past and current events. The Lord had me research to get documentations as to when and where these things occurred to show forth that which it is written in Isaiah 52:15b. For that which had not been told them shall they see and that which they had not heard shall they consider. Moses brought the children of Israel out of Egypt in 1491 BC. Columbus brought the Gentiles out of Europe in 1492 AD. The Lord said in Micah 7:15. According to the days of thy coming out of the Land of Egypt, will I shew unto Him marvelous things. And in Amos 9:7a. Are ye not as children of the Ethiopians unto me? O children of Israel, saith the Lord, Have not I brought up Israel out of the land of Egypt? The Lord brought the American Ethiopians and Israelites of COGIC Inc. kingdom of God out of Memphis, Egypt, Tenn. in 2010 AD, the year of the death of Mosby. The forty-two Israelite kings' reign of the theocracy of the Kingdom of God lasted for 509 years. Then the Babylonians held them captive for seventy years until 538 BC. Jeremiah the prophet and Baruch the scribe were left in Jerusalem. The 509 years of rule and reign of the forty-two Gentile kings of the democracy kingdom of God ended on 9/1/2001 AD. In 2003 AD, President Bush sent US Troops back into Iraq. Babylon seventy years after FDR 1933 AD. During the days of Jeremiah Wright the preacher and Barack Obama the writer and president. *The Game of My Life* Jason "J-Mac" McElwain, Daniel Paisner, 2008-02-05 Now in paperback.
