Old Testament Prophets, Then and Now Howard Bean, 2012-10-11 This book seeks to get the attention of the Christian community that calls themselves the body of Christ because the revelation that God has given author Howard Bean concerning this book is to open the blinded eyes of those that have become hardhearted rebellious and backslidden to what God says in his Word The prophets that have been used in this book present a clear picture of the type of apostasy that we have today which are those who twist his Word and disobey the word of God This book is to warn the church of the apostasy that they have gotten themselves into as Israel had done against God years ago in the Old Testament If we as children of God will open his Word and asked him to open our blinded eyes in the name of Jesus for the truth that is not being preached today in many churches then he will do so as Jesus said ask and you shall receive In many ways this book can be used as a guide to help Christians study the Word of God but it is not to replace the Word as many have and caused error in the church It also can be used in Sunday school as a tool to help teach students from teenagers to adults the truth of how God expects his children to live for him and have faith as the prophets of the Old Testament shows every one today
