Jorge Luis Borges      **Textos recobrados** Jorge Luis Borges,2011      **Jorge Luis Borges** Jason Wilson,2006-10-02 The face of Borges most widely known is that of the blind patrician man of letters in whose writings emotion is subjected to the play of ideas Yet Borges born in Buenos Aires in 1899 did not become virtually blind until the 1950s and in the decades before this affliction and before his books were widely translated and internationally celebrated he wrote loved and engaged in local polemics with adventurous passion In Jorge Luis Borges Jason Wilson explores Borges tumultuous early life in the streets and cafés of Buenos Aires and charts his literary friendships love affairs and travels Borges claimed never to have invented a character It is always me subtly disguised Illuminating the connections running between the biography and the fictions Wilson reminds us that Borges was always a poet whose life was recreated in his work but never in confessional ways and restores his Argentine roots This book will be an invaluable resource for all who treasure the modern master **BOOK JACKET**

**Jorge Luis Borges** Alejandra M. Salinas,2016-10-26 This book seeks to fill a double lacuna in Borges scholarship For one

this scholarship has been largely developed through the lens of literary and cultural studies and not by political theorists who bring a distinct disciplinary perspective into the reading of literary works Secondly mainstream interpreters have overlooked or have not analyzed enough Borges's political sympathies This book does not evaluate if these sympathies are truthful to political and historical facts or philosophical theories rather she shows in which aspects and around which topics Borges finds inspiration and gives literary form to the political His texts abound with concepts and events such as liberty individuality war and revolution and they deal with topics such as the legitimacy of authority the limits of reason and the principle of representation among others This book also addresses Borges's democratic sensitivity and his critique of populism and militarism as related to salient national and global historical events that inspired his works Above all it calls attention to Borges's belief in the pre-eminence of individual liberty his rejection of political oppression and his warning against civic indifference brought about by an isolated individualism This book may be of interest to students and professors of politics philosophy and literature It may also interest literary critics and readers who want to approach Borges's works with a political rather than a literary or a cultural lens

**Games of Inheritance** Yitzhak Lewis, 2025-05-13 Games of Inheritance explores the thought of Argentine author and public intellectual Jorge Luis Borges 1899-1986 on questions of authorship and literary tradition The book focuses on Borges's engagement with Jewish literary and intellectual traditions highlighting the role of this engagement in developing and expressing his views on these questions The book argues that the primary relevance of Borges's persistent reference to the Judaic is not for understanding his attitude toward Jews and Judaism but for understanding his position in contemporary Argentinian debates about nationalism and literature empire and postcolonialism and populism and aesthetics By broadening the frame of Borges and the Judaic this book shifts the scholarly focus to the poetic utility of Borges's engagement with Jewish literary and intellectual traditions This allows a better understanding of the nuance of his views on the issues that most animate his oeuvre authorship and writing literature and tradition

Literatura posnacional Bernat Castany Prado, 2007 La intensificaci3n de las interrelaciones entre las diversas partes del mundo conocida como globalizaci3n ha generado un cierto desgaste del estado naci3n que hasta entonces fue la principal unidad pol3tica social cultural e identitaria La literatura parece haberse adelantado a las ciencias sociales en la b3squeda de descripciones y construcciones identitarias m3s respetuosas con la irreductible complejidad del mundo y de las personas que lo habitan Las obras de Salman Rushdie Claudio Magris Amin Maalouf Amos Oz Orhan Pamuk Milan Kundera W G Sebald Haruki Murakami Mario Vargas Llosa Jorge Luis Borges o Paul Smal entre muchos otros generan en la mente de sus lectores una comunidad imaginada mundial en la cual ni la representaci3n est3tica ni la responsabilidad moral y pol3tica se detiene en las fronteras nacionales

Toswell, 2014-11-07 The Argentinian writer and poet Jorge Luis Borges 1899-1986 was many things during his life but what has gone largely unnoticed is that he was a medievalist and his interest in Germanic

medievalism was pervasive throughout his work This study will consider the medieval elements in Borges creative work and shed new light on his poetry

**Borges, a Life** Edwin Williamson,2004 Short story writer essayist and poet Jorge Luis Borges 1899 1986 revolutionized the literature of Latin America almost single handedly and left a legion of readers and admirers worldwide Based on an unprecedented range of interviews and on research into previously unknown or unavailable resources this is the first biography in any language to encompass the entire span of Borges s life and work In Borges Edwin Williamson brings to life the little known human side of the writer his ancestral roots in Argentina his relations with family and friends his passions and despairs and the evolution of his political ideas By correlating this new biographical information with Borges s literary texts Williamson also reconstructs the dynamics of his inner world the conflicts desires and obsessions that drove the man and shaped his work This major new study finally unlocks the mysteries that have obscured the life of Borges The result is a compelling and often poignant portrait that will radically transform our views of this modern master
