**Textures of Irish America** Lawrence J. McCaffrey, 1998-10-01 The textures of the Irish American experience have been manifold greatly influencing this country's economic social and cultural development over the past two centuries Unlike that of many other European immigrants the Irish journey to America was viewed largely as a one way trip They quickly adjusted to America soon becoming citizens and active participants in politics By the end of the 19th century they dominated not only most American cities but also sports especially baseball and many were prominent in show business In this entertaining study of one of America's most engaging and controversial groups Lawrence McCaffrey reveals how the Irish adapted to urban life progressing from unskilled working class to solid middle class Denied power and influence in business and commerce they achieved both through politics and the Catholic church In addition to politicians and churchmen McCaffrey discusses the roles of writers such as Finley Peter Dunne James T Farrell Eugene O'Neill J F Powers Edwin O'Connor William Kennedy Elizabeth Cullinan Tom Flanagan Thomas Fleming Jimmy Breslin and John Gregory Dunne as well as such film stars as Jimmy Cagney Bing Crosby Grace and Gene Kelly and Spencer Tracy McCaffrey completes the story with a look at the role of Irish nationalism in developing the personality of Irish America and in liberating Ireland from British colonialism The result of some forty years of thinking and writing about Irish American life McCaffrey's Textures will appeal to scholars and general readers alike and may very well become the standard work on Irish America

**Ireland's Great Famine in Irish-American History** Mary Kelly, 2013-11-18 Ireland's Great Famine in Irish American History Enshrining a Fateful Memory offers a new concise interpretation of the history of the Irish in America Author and distinguished professor Mary Kelly's book is the first synthesized volume to track Ireland's Great Famine within America's immigrant history and to consider the impact of the Famine on Irish ethnic identity between the mid 1800s and the end of the twentieth century Moving beyond traditional emphases on Irish American cornerstones such as church party and education the book maps the Famine's legacy over a century and a half of settlement and assimilation This is the first attempt to contextualize a painful memory that has endured fitfully and unquestionably throughout Irish American historical experience [A Guide to Sources of Research Material in Irish Studies](#) Queen's University of Belfast. **Poetry** Daniel Tobin, 2007 This is the first major anthology of Irish American poetry It breaks new ground by collecting for the first time the work of over two hundred Irish American poets as well as other American poets whose work enjoins Irish American themes The Book of Irish American Poetry draws together the best and most representative poetry by Irish Americans and about Irish America that has been written over the past three hundred years Daniel Tobin begins with poetry of the populist period poets such as John Boyle O'Reilly and moves to the work of Irish Americans who have made an

indelible imprint on American poetry Robinson Jeffers Marianne Moore Louise Bogan John Berryman Thomas McGrath Robert Creeley Frank O'Hara Ted Berrigan Galway Kinnell and Alan Dugan among others The anthology concludes with distinctive poems by contemporary Irish Americans whose work is likely to stand the test of time such as Tess Gallagher Brendan Galvin and Brigit Pegeen Kelly The Book of Irish American Poetry recovers many poets who have been forgotten and places already notable figures in American poetry within the context of a distinctively Irish American tradition to come
