

A dramatic scene from the game ARK: Survival Evolved. In the center, the game's logo is displayed within a circular emblem. The emblem features a central green and blue glowing core with the word 'ARK' in white, flanked by two metallic, angular structures. Below this, the word 'RAGNAROK' is written in a stylized, jagged font, with 'ASCENDED' in a smaller, white, sans-serif font underneath. The background is a vast, cloudy sky with a bright sun or moon in the distance. On the left, a large, metallic mechanical dragon with glowing blue and orange highlights is perched on a rocky cliff. On the right, a massive, dark, feathered bird of prey, possibly a vulture or hawk, is shown in flight. The ground below is a lush green landscape with small, dark figures of people and animals, including a small herd of deer-like creatures. The overall atmosphere is one of a epic, apocalyptic, and fantastical world.

**Thad Stem's Ark** Thad Stem,1979     **1 & 2 Samuel** David H. Jensen,2015-08-24 The episodes in 1 and 2 Samuel are striking in their depiction of human characters priests soldiers kings prophets and royal advisers but also significant in how they narrate the central character of this history the God of Israel History in these books is not simply an accounting of royal intrigue military battles and socio economic struggle but the stage upon which God reveals God s very self First and Second Samuel relay some of the most memorable vignettes in all Scripture the call of Samuel David s battle with Goliath and David s seizure of Bathsheba as his wife and discover in them the hand of God from the introduction First and Second Samuel describe the beginnings of monarchy in ancient Israel and introduce us to intriguing characters Samuel prophet priest and judge Saul the tragic figure who becomes Israel s first king and David Saul s celebrated successor and Israel s key leader whose influence endured for generations But as Jensen makes clear in his splendid commentary there is another figure who is a central character God Throughout his theologically rich treatment of these biblical books Jensen explores what makes these texts important for us He suggests that we read 1 and 2 Samuel because they reveal the complexities of the human person the ambiguities of our social arrangements as nations and God s agency in a conflicted world Jensen notes that as we are shaped by and grapple with the biblical stories we are invited to find our own stories within them What keeps us coming back to faith he says is its stories stories that tell the truth about the human condition our shared corporate life and the life God gives to the world

**The Heart After God** EUR(tm)

Heart Curtis Carr,2023-01-21 King David was a man after God s own heart Have you ever wondered what God saw in David or rather the characteristics that David exhibited for God to adorn him with this title David was not perfect or absent of sin but called appointed and anointed by God just like every Christian believer The Heart After God s Heart Messages from First Samuel details these characteristics along with other relevant and insightful revelations from God s word using the Old

Testament book of 1 Samuel You and I can be Christians after God s own heart and excel in personal growth even better than David as we have within us God s Holy Spirit Build up yourself in God and advance in your Christian faith with this understanding and other messages Look at the story of David and Goliath in a new light relevant to your Christian walk today Discover how the children of Israel are a type and shadow of our Christian life now God s heart begins with prayer and communion Every believer should make prayer a lifelong learning experience Hannah demonstrates how every Christian should be vitally connected to God through prayer Samuel the priest and prophet uses his life to convey how we belong to God wholly and totally Any believer who gives up his life to Jesus will know the meaning of losing his life to gain the whole world We have been born again and handed over to his providence We experience the heart of disobedience through Saul s reign as king and then David s heart of obedience as a shepherd giant slayer covenant brother and anointed king a man after God s own heart Their experiences together reveal to us the heart after God s heart 2
